Family of 4 Escapes Gas Blast

A San Marcos mother and her three tiny children escaped injury or possible death at 7:45 a.m. Tuesday, when a gas explosion shattered their home at 3838 Linda Vista Drive, off Rancho Santa Fe Road and a short distance from the Alvin Dunn School. according to Vista Fire Chief Bill Elder, the blast blew out all windows, tore out several walls and lifted the roof six inches. Although in the Rich-Mar School District, the home is in the Vista Fire District.

Chief Elder said the explosion was apparently caused when natural gas leaked from a faulty pipe in the wall between the kitchen and bathroom. It was apparently touched off by a heater in the living room. Elder estimated damage at $4,600.

Mrs. Jessie Davis, 21, had been playing on the living room floor with two of her small children, Anita, 3, and Mason, 1½, when the blast

(Continued on Page 2-A)

SAVED FROM BLAST . . . . This family narrowly escaped death or injury when a gas blast wrecked their home in San Marcos at 7:45 a.m. Tuesday. Mrs. Jessie Davis, 21, is shown at a neighbor's home with her three children, Mason, 1½, Lorri, 4 months, and Anita, 3. Center photo shows the damaged house with windows broken and roof raised. Photo below shows the walls blown out between the bedroom and bath room.—Press photos.

Impressions

There are some corrections due on the information about the Vista Junior Rifle Club which appeared under the picture in last week's issue. The boys as a team received fourth place awards. Jay Ahrend received a second place award as an individual and also was given a distinguished junior rifleman medal, the highest award presented. On the team were Ahrend, Bob Wilson, Phil Shealy and Mike Anthony.

—☆—

A local resident living on Copper Avenue called to report seeing an unusually bright light in the eastern sky at 4:30 and 5 a.m. Wednesday. She said it resembled a large cluster of stars much brighter than the normal star. It seemed to rise in the sky. Her neighbors also witnessed the unusual light and viewed it through binoculars.

School Programs Told to Trustees

The board of trustees of the Vista Unified School District at their regular meeting in the education center Monday night engaged in an educational symposium together with administrators from the various schools in a session devoted chiefly to curriculum. Principal James McDonald of Lincoln Junior High announced the coming "in service" program for teachers which will be held in the Washington Junior High School on Feb. 11, with a list of distinguished educators as speakers. Mrs. Maryme Barnes, curriculum coordinator, told of the workshop series planned for May 15 which will bring an equally distinguished group of educational leaders.

Principal Harold Hall of Beaumont School gave an excellent report on the progress of the special training for gifted children. Other administrators taking part in the discussions were Principal Verna Sidener of Bobier School; Erskine Barton, prin-

Goostree, Fotheringham Top Council Vote Getters

Year Terms for Gillette Wakefield, Hildebrand

After many long years of frustrating attempts, Vista finally became a city Tuesday night — or will be when a certain amount of necessary red tape is completed — as the electorate backed the incorporation issue almost four to one. Final vote tally was 3666 "yes" and 985 "no". At the same time, nearby San Marcos also voted to become a city by a 432 to 143 margin.

Vista's first city councilmen will be Justin Goostree, who polled the most votes, 2866; Joe Fotheringham with 1857; Harold Wakefield with 1732; Col. Frank Gillette with 1709 and Terry Hildebrand with 1366.

The outcome of the city vote could be determined as soon as the results began coming in to the chamber office around 8 p.m. as the "yes" votes were way ahead in all 18 precincts. But the council race wasn't decided until the final precinct was in about 11:15 p.m.

Trend Indicated

The trend for the top four councilmen was soon indicated as Goostree, Fotheringham, Wakefield and Gillette pulled away with each precinct tally. But the fifth slot was a wide open race during the early part of the evening with Hildebrand, Floyd Cunningham, Spicy Cinnamon, Mary Mitchell and Harrison Doyle all contenders.

Finally all dropped from contention except Hildebrand and Cunningham with the former winning by a scant 37 votes. Doyle made a late evening surge to pass Cinnamon and place seventh. Cinnamon, Mary Mitchell and Don O'Neill rounded out the top ten.

The two councilmen with the most votes, Goostree and Fotheringham, will have terms until April of 1966 while the three with the lowest vote totals will have to seek reelection again in April of 1964. Thereafter, terms will be for four years.

It was believed that Vista actually wouldn't take over the city reins until Jan. 28 or 29. The ballot will be canvassed by Supervisors on Monday and if approved a resolution declaring Vista a city will be passed. This must then be recorded by the county recorder and copies will be

All-Time Record Set at Rabies Clinic Tuesday

Over 2,000 pet owners from Vista and San Marcos accompanied 563 animals to the anti-rabies clinic sponsored Tuesday evening in the National Guard Armory by the San Diego County Veterinary Association.

Vista veterinarians, Drs. Elmer Bogart, Robert O. Harvey and M. E. Darian, assisted by Dennis Bogart, Mrs. Harvey and Steve Granados, were kept busy taking care of the record attendance at the annual clinic.

Members of the local Soroptimist Club, doing the paper work, were hard put to keep up with the local doctors. Writing such pet names as Samantha and such breeds as chihuahua, rhodesian ridgeback and weimaraner, gave pause to the career gals.

A comment heard most frequently, while the pet fanciers were braving the cold standing in line, was if people would turn out with as much enthusiasm when the polls were open, Vista would have been a city long ago.

Buena Sewer Up For Vote Tuesday

A measure of great importance to residents of the Buena Sanitation District will go before district voters Tuesday when a $2,030,000 bond issue will be balloted. The issue will underwrite the acquisition, construction and extension of sewage Collection, treatment and disposal works in Buena which will be connected to the joint Vista-Carlsbad outfall facilities.

Three polling places open from 7 a.m. to 7 p.m. will be located in Bernard D. Bunje's garage, 1709 Montogomery Dr.; Vista Fire Station No. 2, South Santa Fe Ave and Estrelita; and the church hall, 1830 Anna Lane.

The Buena Sanitation District comprised of approximately 5,000 acres serves an estimated population of 6,250 in the Buena village area. It is made up of the drainage area of Buena Creek.

Maps of the sanitation district may be seen at the Vista Chamber of Commerce office.

The registrar of voters pointed out that polling places No. 1 in the Bunge garage includes portions of precincts 34, 35 and 41; polling place No. 2 includes portions of precincts 33, 43 and 46; the church hall poll includes all of precinct 42 and a portion of 44.

Details of District

Hans Doe, rancher and proponent, offers the following information.

The district area encompasses about 5,000 areas, virtually all land draining into Buena Creek or Agua Hedionda Creek which is in the district.

A comprehensive system of trunk lines will make service available immediately to most property in the district. Ex-

(Continued on Page 2-A)

Supervisors to Curb Hours At Vista Dump

SAN DIEGO (CNS) — A clamp-down on the hours of operation at the Vista refuse disposal area was ordered Tuesday by the County Board of Supervisors.

Board chairman Robert C. Cozens reported there have been complaints that Dewey DeVoid, who has the contract for salvage and maintenance at the site, has been operating outside of the approved hours.

Supervisors also approved a contract with DeVoid, by which he si to pay $25 per month for salvage rights. He is also to maintain the site seven days a week. The contract provides that either party may cancel it upon 60 days' notice.

It Happened at School

Spacemobile a Treat For Vista Children

by George F. Voigtlander

Last week Spacemobile representatives from the National Aeronautics and Space Administration visited the Vista Schools. These were men with a message about the future and destiny of America. With enthusiasm and vigor they informed the youth of our schools of the developments in science that would change the lives of people all over the world within the next 20 years. And the youth of Vista seemed to absorb this message and carry it away with them.

In a presentation that blended the past, the present, and the future, these men informed students in Jules Verne-like fashion about American heroes such as Dr. Goddard, the Wright Brothers; and Scott Carpenter. They urged youth not to lose their imagination, and they pointed out how a man once looked into space and wondered about it, and finally his curiosity conquered his soul and he did something about it.

There was another word of warning to young people—"stick to your guns; if you have an interest or an idea, hang on to it; don't be discouraged or let people sway you from it". These speakers pleaded to youth that they might develop understanding and appreciation for the one who is a little different rather than to discourage and humiliate because that individual is not just like the other members of the group.

Accuracy Importance

At one point the lecturer stressed the importance of accuracy in math and composition in school. He pointed out how the inability of a person to write a clear, concise paragraph caused an error in the firing of a rocket and this mistake destroyed the rocket valued at 18½ million dollars.

A little boy heard that and in wide-eyed amazement exclaimed to this friend next to him, "boy, that's a lot of money up in smoke"!

Another time he pointed a challenging finger at the group and asked if there were a boy or girl in the group who was going to change the wearther. And he quickly added that if research could bring about just a 10 percent improvement in predicting weather conditions most of the costs of research and rockets could be defined as a result of that gain.

The girls in the audience perked up a bit when he stated the variety of jobs for young ladies that are developing in the space industry.

The faith and confidence of these men was brought out by citing specific dates and times in the future when great developments in space would take place—the two-man rocket, the three-man rocket, the trip to the moon, and world TV.

Thanks to the enthusiasm and knowledge of Spacemobile representatives, Kenneth Howard, Phil Johnson, and Mike Donohoe, Vista

School Program

(Continued from Page 1)

cipal of Olive; Carl Holzinger, vice principal at Lincoln and Lloyd Volker of Crestview.

Trustee Returns

With the return of trustee Clarence Dawson, who has been ill for the past five months, the five-man board was fully represented. Members expressed their gratification that Dawson was making a good recovery and was again able to attend the meetings.

In other business the trustees formally accepted the Grapevine School, which was occupied on Nov. 22 and all details of construction completed on Jan. 2. They ordered the sale of $264,000 in bonds remaining from a previous bond authorization, which will be applied toward the cost of the new Monte Vista School now under construction. An easement for placing power poles along the widened Monte Vista Drive was granted to San Diego Gas and Electric Company.

The board gave its approval to permits for the use of the Lincoln auditorium and other meeting places by various civic groups in accordance with the state code, which authorizes such permits. The trustees again named Stanley Cook, Jr., as auditor for the district the coming year.

New Bus Specs

On the recommendation of Joe Harvey, business manager, he was authorized to change the specifications on a new school bus to be purchased to provide for dry wall construction on the interior in order to keep out moisture. The new bus will be 54-passenger capacity with standard transmission.

The board announced the coming election of trustees on Tuesday, April 16, and called attention of prospective candidates to the fact that March 1 is the final filing date. The terms of Trustees Clarence Dawson, Dr. Darrell Marker and Larry Thornburg are expiring, but none of the three has announced intention of retiring and it is presumed that they will stand for reelection. The two other members whose terms continue are Mrs. Ola Florence Jobe and Tony Duran.

Resignations of Mrs. Lilian Green, teacher at Bobier, and Mrs. Sigrid Nicholas of the high school staff, were accepted. The list of new teachers, including replacements includes: Mrs. Delores C. Backlund Santa Fe School, Mrs. Elsie N. Lutes Olive School, Mrs. Mary A. Meredith, high school, Miss Maryem McKell, Crestview and Miss Ruth A. Shores at Bobier. Mrs. Flora E. Hooper, Mrs. Helen M. Jenkins and Mrs. Marguerite Whyte were employed as substitute teachers and George Calhoun as home teacher.

Oppose Bond Change

On motion of Trustee Dawson the board went on record as opposing a change from a two-thirds vote to 60 percent requirement for approval of bond issues by voters. Dawson said the two-thirds requirement was a long standing practice and he was opposed to any lessening of the requirement. Trustee Thornburg also spoke in opposition to the change, which has been advanced by the California School Board Association.

The board also approved a resolution providing that board vacancies be filled by appointment only until the next school election, not for the duration of a term. It was agreed that a picture of the President of the United States be displayed on the wall of the board room.

Supt. William Schlechte in his report stated that 30 applications have been received for the new position of assistant superintendent. He invited board members to come in and study the applications.

The superintendent also announced that a survey group from the California Teachers Association headed by M. Donaldson would be in Vista Tuesday for a study of teaching staff morale. Teachers were asked to fill out forms which would be used by the survey associates in evaluating the faculty members in terms of morale, professional interest and other qualities.

OK Reimbursement

On motion of Trustee Thornburg the board moved that reimbursement should be made to trustees for necessary expense in attending professional meetings and in other activities required of trustees.

The board accepted with thanks a gift of a visual aid book for kindergarten and primary children presented by Mrs. Maria Nobles. The book, which was recommended by Mack Davis, principal of Santa Fe School, contains color figures depicting the landing of the Pilgrims, the signing of the Constitution and other scenes from early American history.

Trustees Tony Duran and Thornburg announced that they will attend a State Department of Finance meeting in Los Angeles, March 21, at which a state-wide planning agency for schools will be set up.

Several letters were received by the board protesting the use of the school auditorium for use of a Vista Study Group, which, the letters stated, was promoting the candidacy of select group in the coming incorporation election. Mrs. Nobles, defended the group stating that other candidates were present at the meeting. Harvey replied to the letters stating that granting the use of school facilities was done in strict accord with the state code which allows political or other groups not barred by law to use school facilities. Harvey was authorized to send a similar reply to each letter of protest.

Mesna Suit

It was announced that formal notices had been delivered to trustees making them defendants in the suit brought by Richard Mesna appealing a board decision not to rehire him. The board was asked to name the county counsel to defend them in the action.

Principal McDonald of Lincoln Junior High announced the names of committee chairmen for curriculum study and development in the junior high school level. Those named were Paul Brostrom, vice principal of Washington, who headed the committee on art studies, typing, and social studies; Carl Holzinger, vice principal at Lincoln, music, speech and dramatics; Dudley Hancher, principal at Washington, industrial arts, physical education and science; and McDonald, English, foreign language, mathematics and home economics.

Mrs. Barnes, curriculum coordinator for the Vista schools, gave a review of the work of her office, including the announcement of the coming workshop sessions.

Principal Hall told of the selection of 12 gifted children from the total of 648 in Beaumont school and the unusual progress these students are making under the encouragement of teachers and with additional books and other material made available to them.

In other actions the board approved warrants and purchase orders and reviewed bids for purchase of materials and supplies. Because of the amount of business at the regular meeting the board decided to hold a special meeting Monday evening, Jan. 21, to continue the study and formulation of board policy.

Art Cunningham Funeral Today In Los Angeles

Services for Howard (Art) Cunningham, 77, who died Sunday while visiting his daughter, Mrs. Duke Westland at her 1308 Independence Way home are being conducted in Los Angeles at 10 a.m. Thursday (today).

At the time of his death, he had been living at the hotel of Elks Lodge 99 in Los Angeles. He was a past exalted ruler of Elks Lodge 236 in Leadville, Colo., and a past district deputy of the Grand Lodge of Elks.

He was also a charter member of Masonic Lodge 35 in Leadville and a member of El Jebel Shrine in Denver.

A native of Pittsburgh, Pa., he worked for 35 years in the order department of the Blue Diamond Building Materials Co.

He is also survived by a son, John of Los Angeles and four grandchildren.

Arrangements were completed by Vista Chapel Mortuary for services in Pierce Bros. Washington Blvd. Mortuary, followed by burial in Inglewood Cemetery in Los Angeles.

As officials cut the ribbon opening a new $400,000 hospital wing at Hartford, Conn., a woman gave birth to a baby in an ambulance in the parking lot.

Election Results

(Continued from Page 1)

sent to the state at Sacramento for recording. This was all expected to take a week or 10 days. Then the council will be sworn in and the first meeting held.

Meeting Place

The council must select a meeting place and a day for regular sessions. The Vista Irrigation District has been suggested as a possible place to hold the open sessions and other sites are also being investigated.

The Vista vote turnout represented 60 percent of the 7,800 registered voters. Interest was high as the telephone at the Chamber rang constantly from 7 p.m. till midnight as persons wanted to know the result. The Press office was also open between 8 and 11 p.m. and answered several hundred queries from anxious Vistans.

Goostree, who made the best showing, said today, "I am, of course, highly complimented because of the number of votes I received. I want to thank all those who supported me. I am especially pleased that the voters have approved incorporation of the city of Vista by an overwhelming vote."

Fotheringham was present at the Chamber most of the evening while the voters were being tabulated and said, after his election was assured, "Now watch Vista grow." He also thanked all who voted for him.

Certainly No Apathy

Wakefield, another of those at the Chamber, said, "The extent to which the voters supported the incorporation proposal was most encouraging. There was certainly no apathy on the part of the people. I am well pleased with the selection of councilmen and I am sure we can work together to accomplish the greatest good for the greatest number — which is our obligation in accepting office."

Hildebrand said briefly, "I shall do my best to fulfill the trust that has been placed in me by the people of Vista."

Col. Gillette, another among those at the Chamber, said "Congratulations to the new City of Vista and to its citizens who can now run their own affairs. I want to thank the people who voted for me for their confidence in my ability and experience and to assure them of my determination to represent all of the people fairly and with dedication to their interests. I have no illusions regarding the difficult task that lies ahead for the City Council, but I regard it as a challenge to the best efforts, intelligence and sound judgment of those elected and I am looking forward to participating with them in a contribution to our community."

A chart showing the precinct vote for the candidates or the issue can be seen at the Chamber or at the Press office. Greatest win margins were posted in the following precincts: 4, 203-22; 7, 221-45; 10, 206-33; 11, 217-44; and 17, 257-49. The two precincts where no votes were stronger than in the others were the 1st, 214-74, and the 8th, 199-74.

City councilmen elected in San Marcos were, Bill Buelow, 321; Norm Bucher, 241; Oliver Shinn, 236; Henry Vander Stelt 204; and Ed Grangetto, 203. Placing sixth was Paul Biering with 191 and C. Al Wilson had 181.

Buena Sewer

(Continued from Page 1)

tensions will be financed by the 1911 act improvement districts. The same plan which has worked so well in the Vista Sanitation district.

Tax on the 40 year bonds is estimated at slightly over $1 per $100 for the first several years, then lower the balance of the bond duration.

The $400 connection fee is payable in five equal annual installments. Sewer service is expected to be $1.50 to $2 per month.

The present proposed construction is adequate until about 1970. Provision has been made to expand the system to meet growing needs.

The ocean outfall and treatment works will be shared with the Vista Sanitation District and Carlsbad. The Vista-Carlsbad works are being designed big enough to take care of Buena's needs, thus making Buena a third partner in the facility.

Vista's Water Reaches New High in Purity

Directors of the Vista Irrigation District discussed the Feb. 5 election during their Tuesday meeting and agreed that sample ballots would be sent out. At noon Wednesday, the district had no reply from William Weidlein regarding his notice that he would want salaries and duties of VID officers to be placed on the ballot. Deadline for him to obtain the 50 necessary signatures for this maneuver was Wednesday at 5 p.m.

The district learned from its lab technician in San Diego that Vista water hit a new high in its percent of good samples during the year. Of the 1,530 samples examined, only 10 showed positive in the bacteria test, which is 7/10 of 1 percent, very good in public health standards.

The board approved a change in the front of the remodeled former district building Used brick with large windows and aluminum trim will be used.

A claim for damage to the rugs and floor of his home was submitted by A. J. Phillips of Bonita Dr. The damage was $2480 and was caused by a district water leak, he said. The claim was referred to the district insurance agent.

Spacemobile

(Continued from Page 1)

school children had a rare experience last week—a preview of the future of America; now the challenge is theirs to accept or reject.

School Children React

Vista school teachers returned to their classrooms after hearing the Spacemobile representatives and were pleased with the reaction that students gave after witnessing this outstanding science exhibit. The following are some comments from Vista students:

"I think the Science program at Santa Fe School was very interesting and educational. The speakers of the program told about many things I didn't know about, but now I am sure I know much more about space than before I went to the Santa Fe School. The most interesting thing I saw was when he showed the rays of the sun with the telephone and bell".

"One thing I liked best about the program was when they blew up the gun powder. I liked the story he told of the first astronaut and the models of the different missiles and satellites. The important thing I learned was what our country is doing and what things they have. I enjoyed it very much".

"I think the program was very interesting. I know that it took a lot of time to set up the display. I liked it best when the first speaker told us about the rockets, and when he told us about the law of gravity. I feel that this is where I learned the most".

"I liked learning about the satellites and the law of gravity. I liked seeing the different rockets and learning about the hardships they have trying to get the rockets into outer space."

"I know the speakers worked very hard at the program, and I think they did very good".

"I don't know which part I liked most because they were all interesting and exciting."

"The speakers did a fine job on speaking. I could hear them distinctly from the back."

"I thought the way they explained things was quite ingenious. I learned many things and I am going to send for more information. The whole thing was organized very neatly. I think that helps quite a lot".

It is evident from the comments quoted that the school children of Vista gained a great deal from the Spacemobile visit to Vista last week. As a result perhaps a Vista youth will someday be responsible for a great scientific discovery that will add extra years to the lives of his fellowman.

SLR Council Will Seat Board Jan. 24

Raymond "Jim" Wayman, Fallbrook realtor, will be installed head of the Greater San Luis Rey Area Planning and Development Council Thursday, Jan. 24, in Pauma Valley Inn and Country Club. He will accept the gavel from outgoing president, Fred W. Speers, Escondido publisher.

Other officers inducted at the dinner meeting will be William A. Craven and James E. Downing, vice presidents; and Gen. Russell N. Jordahl, USMC ret., treasurer.

Directors taking office include James Allen, Dick Brown, Tom Colby, Harry Duel, Fred Ecke, Sr., David M. Ghormley, Elmer Glaser, Marshall B. Kroh, Fred K. Sherman, Erwin Sklar, Lew Tustin and Vistans John M. Cosh and Dr. John W. Dunn.

Dinner at 8

Craven will serve as master of ceremonies at the 8 p.m. dinner. A happy hour from 7 to 8 will open the evening's festivities.

Aims and objectives for 1963 will be revealed during the meeting. Projects under consideration include an area-wide concept for zoning and planning, broad program for promotion of the entire golden triangle, rapid development of US Highway 101, immediate improvement of US Highway 395, a separate active organization to better State Highway 76 from Oceanside to Borrego to Imperial Valley, and active support for acquisition of land for civil airports and heliports in each community.

Jaycees Back McCorquodale

Vista Junior Chamber of Commerce was represented at the District 10 quarterly council meeting in El Cajon Tuesday night, when Dan McCorquodale was endorsed for national director.

Attending from the local Jaycees were Dave Whitlow, state director; Bob Ward, first vice president; and Dick Gray, president.

Vista Jaycees announce the appointment of Dale Jones as publicity chairman for the local group. He is manager of the Vista office for Seaboard Finance.

Ideal ending to a smart beginning — The results you get from Press Classified.

Gas Blast

(Continued from Page 1)

occurred. The third child, Lorri, four months, was in a crib nearby. The explosion shot flame across the interior of the home setting fire to the draperies. It also singed Mrs. Davis' hair and started a fire in the couch.

Walls between the bathroom, kitchen and one bedroom were knocked out. Debris was scattered all over one bedroom in which the baby boy had been sleeping just five minutes before. Glass was hurled 50 feet into the backyard. Despite all the damage, no one in the house was injured. Davis, a custodian at Dunn School, had left for work just before the blast.

Mrs. Davis quickly took her children outside and then returned to try and fight the fire which had sprung up in several places. Neighbors called the fire department and they arrived moments later and extinguished the blaze.

Farm Bureau Membership Rally Jan. 23

A membership rally is planned for Farm Bureau leaders and members in Escondido on Jan. 23. Louis A. Rozzoni, president of the California Farm Bureau Federation, will be in attendance and give the group "food for thought" along the lines of a stronger and more enthusiastic membership in Farm Bureau.

The Board of Directors of the San Diego County Farm Bureau met recently and recommended larger acreage categories be established in the County Zoning Ordinance; in order to enable farmers, especially in the livestock industry, to obtain better protection through zoning.

The 10th Annual Leadership Conference, sponsored by the California Farm Bureau Federation, will be held in Asilomar on Feb. 24-27; several people from this county are planning to attend the conference.

The County Farm Bureau leadership conference will be held April 26 - 28 at the Cuyamaca City-County Camp. Robert L. Stephens of Del Mar and Mrs. Charlotte Holcomb of Dulzura are co-chairmen of the event.

Members and their friends are alerted to the fact that a trip is planned to our 50th state, Hawaii, in June of this year. They will have a chance to travel with other people from the agricultural industry and see the agriculture of Hawaii.

Dimes Parade Set Sunday

San Diego County's 11th annual March of Dimes parade will be held Sunday, Jan. 20 in National City, it was announced yesterday by Joe Hall, co-chairman of the event with Warner Snow.

Starting time is 1:45 p.m., Hall added. It will begin at First and National and move south to 16th Street.

San Diego city councilwoman Helen R. Cobb will be the grand marshal. She was selected because this year marks her second time as county March of Dimes campaign chairman.

Appoint New DM Fire Chief

A Rialto fire captain will join Del Mar's ranks of bachelor civic leaders as the city's second fire chief.

William H. Tripp, 38, will report for duty between Feb. 1 and 15, City Administrator John J. Mamaux said. He will succeed James J. Kavanaugh, who retired Jan. 3.

Safflower, a plant virtually unused for centuries, is rapidly becoming a major North American crop.

I. Baumgartner Taken by Death

Mrs. Ida G. Baumgartner, 60, of 167 Walker Way, succumbed Wednesday morning at a San Diego hospital.

The native of North Dakota lived in Vista 25 years and was employed in the U. S. Naval Hospital at Camp Pendleton.

She is survived by a son, Gilbert N. Laible of Cardiff, a sister, Mrs. Hulda Lindquist of Vista; brother, John Goetz of Washington and parents, Mr. and Mrs. Martin Oster of North Dakota.

Services will be conducted Friday at 10 a.m. in Vista Chapel Mortuary by Rev. T. Duane Jensen of Cardiff.

Burial will follow in Eternal Hills Cemetery.

L. McCutcheon Dies in Home

Services are pending for Lawrence Ervin McCutcheon, 73, who was found dead in his home, 1205 North Santa Fe Ave., Tuesday evening.

Funeral arrangements will be made by Vista Chapel Mortuary.

Press Classified ads bring quick results.

DOWNTOWN PROPERTY OWNERS . . . . New officers of the Downtown Property Owners Association are shown following the annual election dinner meeting held at the Avocado House, Jan. 8. Left to right are, Bill Dynes, director; Paul Eskenasy, president; Boots Olsen, vice president; Graham Rutherford, director; Oliver Clark, retiring president; Clarence Shippey, director. Not shown are Dr. Milan Plasterer, treasurer; and Norman Donald, director.—Vista Press photo.

Demonstrations At 4-H Session

Slides on how to place pins and awards on 4-H hats and how to present demonstrations were shown by D. Hill at the Jan. 8 meeting of the Vista 4-H held in the Community Church.

The 4-H club plans to attend a field day in Poway on Saturday, Jan. 26.

During the local meeting, demonstrations on judging bread and mixing and matching clothes were given by John Shaper and Marjorie Stenston.

M. Allison talked about demonstration charts and good posture, reported Sharron Stephens.

San Luis Rey District BS Merit Badge Counselor List

The round-up of San Luis Rey District's Boy Scout merit badge counselors is concluded in this installment announcing the balance of registered counselors available to Tri-Cities' Scouts.

Should the list be in error, either by omission or otherwise, notification would be welcomed by Tri-City representatives of the SLR district advancement committee: James E. Wootton, 120 Parnassus Circle, Oceanside, chairman; Raymond E. Leggett, 5248 Los Robles Drive, Carlsbad, or Stephen Koval, Sr., of 356 Yacon St., Vista.

Marine Capt. John Burke, 118-A Cottonwood, Oceanside, counsels in athletics, fishing, and marksmanship; Marine Maj. R. M. Johnson, of 325 Cottonwood, Oceanside, in cycling and hiking.

Archery counselors: are Kirk Rose, 933 Emerald, Vista, and Alan Winters, Vista Sports & Photo.

Outdoor Sports

Athletics: Al Blacic, Carlsbad Boys' Club, Carlsbad; cycling: Pappy Bowers, 203 Broadway and Carl Wurzback, P.O. Box 275, both Vistans.

Fishing: Dan J. Barry, Sr., 2455 Edgehill, Vista; Bill Shay, 5114 South Carlsbad, Carlsbad, and Frank Brown, 1706 Machade, Oceanside.

Hiking: Marine Maj. R. J. O'Leary, MOQ 17136, Heywood Circle, Camp Pendleton, and in Oceanside, Marine Maj. Lon Sandifer, 206 Dogwood, and Lt. Stewart Kent, USN (MC), 123 Cottonwood; in Carlsbad, C. D. McClellan, 4252 South Sunnyhill and K. E. Ebright, 4444 So. Highland.

Marksmanship: In Carlsbad, Carl Bittle, 2928-B Harding; in Vista, Alonzo Lovell, Rt. 3, Box 723, Sam Smiley, 301 Lado de Loma, and B. J. Hammond, 1624 E. Foothill Drive.

Horsemanship: In Carlsbad, Max Tinch, 2510 Fire Mtn. Rd., and Arnie Stringer, 2986 So. State; in Vista, Walt Fox, Ora Avo Dr., and Bill Siburg, 1531 San Luis Rey, and L. C. Settle, 1446 South Humsaker, Oceanside.

Motorboating: None — volunteer citizen needed!

Skiing: Two Carslbad counselors, A. E. Stein, Jr., of 2469 South Ocean and A. W. Pahul, Jr., 4347 So. Highland.

Personal Development

Marine Maj. R. J. O'Leary, MOQ 17136, Heywood Circle, Camp Pendleton, counsels on personal fitness, public speaking, and reading; the latter two are also counseled by Charles Cooper, 2831 So. Elmwood, Carlsbad, who also handles salesmanship.

Salesmanship is also passed on by Wilson Vinson, 1185 Alta Vista, Vista, in addition to business. Marine Maj. R. M. Johnson, of 325 Cottonwood, Oceanside, counsels on personal fitness and reading. Dale Ginn, of 2969 So. Valley, Carlsbad, on business and farm records.

Other business merit badge counselors: Oceanside men W. E. Scaplehorn, 214 Begonia and Dick Coe, 605 West Vista Way. Farm Records: Irwin Kelly, 4867 El Camino Real, Carlsbad, and Lewis Van Slyke, 1001 Miramar, Vista. Personal fitness by Marine Capt. John A. Burke, 118-A Cottonwood, Oceanside; William Knuppel, 1368 Phillips, Vista, and in Carlsbad, Dr. A. J. Freiburger, 660 Elm and Dr. George W. Merkle, 806 Elm.

Public speaking additional counselors: Henry Meier, 1811 E. Oak, Carlsbad; Joe Laib, 433 So. Santa Fe, Vista, and in Oceanside, Joe Shepley, 1473 Burroughs and Marine Capt. Lloyd Morris, 311 Cottonwood.

Reading: In Oceanside, Marine Capt. John A. Burke, 118-A Cottonwood and Vistans Aileen Gentry and Marion Cunkler at the Vista County Library.

Salesmanship: Jim Wootton, 120 Parnussus Circle, Oceanside. Scholarship: Max Tinch, 2510 Fire Mtn. Rd. and Armand Selinger, 1737 California, both of Carlsbad.

Plant Cultivation

H. T. Oldham, 1015 East Cinquapin, Carlsbad: agriculture, corn farming, cotton farming, forage crops, fruit and nut growing, gardening, landscaping and small grains.

Max Tinch, 2510 Fire Mtn. Road, Carlsbad; agriculture and forage crops. N. E. Westree, 1288 East Las Flores, Carlsbad; fruit and nut growing and landscaping.

Agriculture is also counseled by Lewis Fields, 1839 Alessandro, Vista; fruit and nut growing, Wells Miller, 1041 Ormsby, Vista.

Gardening: Gerald Meacham, 625 So. Garfield, Oceanside and Ben F. Kaiser, 2126 Warmlands, Vista. Landscaping: Loyal Shoults, 128 Camino Corto and Harvey Ehlers, 1405 Independence, both of Vista.

Public Service

Fingerprinting: Local police department or sheriff's office. Firemanship and First Aid are both counseled by Chief Bill Elder of Vista Fire Department.

Other firemanship counselors: Chief R. W. Hardin, Carlsbad; Chief Fire Inspector G. A. Ploof, Central Fire Sta., Camp Pendleton (Bldg. 22131), and Vistans Marvin Anshutz, 702 Pomelo Drive; Francis E. Hunter, 444 Vale View and John Buchanan, 1173 Amador.

First Aid: Hollis Anderson, 945 Tiger Tail, Vista; in Carlsbad, Larry Miller, 4055 So. Park and Dr. George W. Merkle, 806 Elm; in Oceanside, Lt. Stewart Kent, USN (MC), 123 Cottonwood and Maynard McManigal, 123 Kwajalein.

Public health: Vista Drs. F. H. McCullough, 121 Beaumont and Frank King, 320 Sunrise Circle; Carlsbad Drs. A. J. Freiburger, 660 Elm and G. W. Merkle, 806 Elm.

Safety: George Voigtlander, 348 Alta Vista, Vista, and in Carlsbad: Bill Baldwin, 1031 E. Palm and Jerry McClellan, 4079 South Skyline.

Transportation

Automotive safety: Bill Baldwin, 1031 E. Palm, Carlsbad, and Jack Osuna, Carlsbad Fire Department.

Aviation: Capt. R. Kropp, 135 Barnwell, Oceanside; Vistans Don C. McDonald, 1219 Lexington and Ray Hanzlick, 235 Morningside Dr., and in Carlsbad, K. E. Ebright, 4444 So. Highland and H. Baumgartner, 3591 Donna Drive.

Railroading: Fred Timms, 2166 El Monte Dr., Oceanside and Ben Schelske, 2034 Charleen Circle, Carlsbad.

Seamanship: Bill Stromberg, 2922 South Roosevelt, Carlsbad.

To clean a glass bottle, cut a lemon in small pieces and drop into the bottle, fill halfway with water, and shake well.

Photo Contest For Students Closes Feb. 1

Feb. 1 is the deadline for entry in the Optimist Photo Contest for junior and senior high school students, announced Bill Williams, chairman for the Vista club.

The photo contest sponsored by Optimist International is designed to help youth understand the real meaning of Optimism.

Williams reports there will be first, second and third place winners chosen. Prizes will be $15, $10 and $5 gift certificates from the Sports 'n Photo shop in Vista.

Special containers were placed in Washington and Lincoln Junior High Schools as well as in Vista High School to receive photos entered in the contest.

Millicent the Tortoise is probably the only one in South Africa to get around on three legs and a caster wheel.

WEDNESDAY, JANUARY 23

CELEBRATING

OUR 40TH ANNIVERSARY

Forty years ago we opened our office in San Diego. But we have more than that to celebrate. Forty years ago, Mr. Harold Clapper, Manager of our San Diego office, came to work for us. We are very glad to celebrate *his* anniversary, too.

We're holding Open House all day Wednesday, January 23. We cordially invite all our old friends, as well as everyone interested in the exciting world of finance, to visit us.

BEATNIK PARTY . . . . This group of "beatniks" held a party at the Bob Alexander home, 423 Alvarado Terrace, on Friday night, Jan. 11. All are 7th and 8th graders from St. Francis School. The girls are in costume and the cigarettes are candy, of course. In the front row are, Sharon Jurgensmeier, Donna McKnerney, Patricia Willis, Cindy Cowell, Kathy Moericke, Deborah Roque, Paula Ahlswede. Back row, Mary Stodghill, Christine Betancourt, Christine Burch, Dawn Alexander, Joan McDonald, Lorry Sulenski. Not shown is Marian Doucette.—Vista Press photo.

Solana Beach May Join City Of Del Mar

A study of possible annexation of Solana Beach community with the young city of Del Mar will move forward this year.

The study, begun quietly on a preliminary basis in 1962, will be the object of a Solana Beach Chamber of Commerce committee surveying possible future government for the unincorporated community of 5,600.

James E. Gage, new chamber president, said he will appoint a committee to conduct the study.

The group will carry on the subject opened last year by Albert L. Hogan, former chamber president.

Sparks Start Fire

A grass fire near 122 Terrace Place, Saturday afternoon, brought a call from the Vista Fire Department who extinguished the blaze without damage to adjoining property. Cause of the fire was believed to be sparks from a burning incinerator at 516 So. Santa Fe Avenue.

Bus Tours To Date Festival Can be Made

Riverside County's colorful National Date Festival opening a 10 day run at Indio, Calif., Feb. 15, will be the destination of organized bus tours from all areas of Southern California and many other locales.

Several service clubs, senior citizen groups and similar organizations have already announced their intention to attend the Date Festival which has become world famed with its unique Arabian atmosphere.

In addition, travel agencies in many California cities will put together tours, according to Date Festival manager R. M. C. (Bob) Fullenwider. Special reduced admission charges are offered to such groups.

In order that guests can see such nationally famed attractions as the camel and ostrich races, the brilliantly staged musicale Arabian Nights Pageant, personal appearances of Queen Scheherazade and her court of lovely princesses, tours should be arranged to arrive by noon and leave no later than 8 p.m.

All day tours of the desert area can include visits to Coachella Valley's picturesque date and citrus gardens and large, modern date packing houses. Camera enthusiasts always enjoy trips to the National Date Festival where they are invited to photograph beautiful "Arabian" models in costumes and settings straight out of the Tales From the Arabian Nights.

Additional information regarding bus tours can be obtained by writing the National Date Festival, Box 396, Indio, Calif., or contacting a local travel agency.

Increased Pay Plan is Object Of Vet Group

An effort to increase and expand the pension program for veterans of the First World War is the major objective of the Veterans of World War I, Inc., during the new Congress, Joe McGinty, local post and area commander said today.

He is urging all eligible veterans to contact the National Headquarters of the VWWI, at 40 G Street, N.E., Washington 2, D.C., in order to be informed on just what plans are being made for the proposals which will be presented to the new Congress. Neron asks that all men who served in 1917 and 1918 forward their names, addresses and serial numbers to the headquarters and in return they will be supplied with complete and specific information concerning the legislative program of the Veterans of World War I.

The latter organization is a comparatively new veterans group but on December 31 had enrolled over 225,000 members. It was given a Congressional charter by the Congress in 1958 and now ranks as the third largest veteran organization in the country, McGinty said.

Farrell (Red) Fenton, during Folsom escape attempt—"We know it is futile, but it is worth it for just a moment of freedom."

Harry Sugarman Elected to Head County Fair Board

Harry B. Sugarman, a San Diego mortgage banker, has been elected County Fair Board president. He succeeds El Cajon industrialist John Straza, who served two one-year terms.

Frank C. Strauss, a Del Mar sales executive, was named vice president, succeeding Sugarman.

Sugarman, a Democrat appointed to the board three years ago by Gov. Brown, pledged "to continue the excellent fairs" and praised Straza's past leadership.

Straza will continue liaison with Sacramento in the $1 million-a-year fairgrounds operation. The board serves as landlord for the Del Mar Turf Club, which last year handled $40 million in parimutuel betting alone.

Sugarman said he will work toward year-around utilization of fairgrounds facilities to replace what he termed 10-month use for the fair and thoroughbred racing.

Favors More Racing

He indicated favor for starting day harness racing at the fairgrounds to extend the Del Mar area tourist season and bolster local business economy.

Sugarman also said he will work toward having the County Fair reflect the San Diego area's national leadership in the electronics field. "We ought to cater to science-minded youngsters in addition to those in agriculture," he said.

Another project which Sugarman indorses is the proposed youth center on the fairgrounds.

Fair manager D. Robert Jones said rough drawings of this have been forwarded to Sacramento for approval.

Jones said the center is programmed for 1964 construction but this might be advanced.

Four of the nine directors were absent. They include Harry W. Frame of Poway and Richard B. Todd of Rancho Santa Fe, who have been serving at the governor's pleasure since their terms expired last Jan. 15, and Donald A. Briggs of Leucadia, whose term expires today. Robert O. Peterson of San Diego also was absent.

Sugarman's term will expire today. Another director, Harold J. McCormick of La Jolla, also has continued serving since his term ran out last Jan. 15.

In a Mobile (Ala.) hospital—at the same time on the same day—Mrs. Benjamin F. Johnson and Mrs. Leon Johnson gave birth to baby girls; each infant weighed 6 pounds and 5 ounces.

BALL MADE IT POSSIBLE . . . . Kenneth Kensler uses an electric typewriter donated recently to the cerebral palsy unit at Santa Fe School by the Oceanside-Carlsbad Council of Beta Sigma Phi sorority. Model household equipment was also donated and the funds to buy the items were obtained in last year's Valentine Ball. The sorority is planning another ball on Feb. 2 at the Twin Inns. Mrs. Lucile Ford, teacher, shows Ken how to use the typewriter and watching are two sorority members, Mmes. Hazel Slater and Norene Hilden.—Vista Press photo.

Gem Society To Learn Of Stones

The regular monthly meeting of the Vista Gem and Mineral Society will be held on Thursday (today) at the VFW Hall on East Vista Way. The meeting will start at 7:30 p.m. with Henry Chandler, presiding.

The speaker for the evening will be Gordon Wight of 1157 Sunset Dr. Wight is the secretary of the Del Norte Gem and Mineral Society of Carlsbad. His subject will be the weights and measures of stones.

Junior members of the society are displaying their collections in the Vista Library. Ralph and Charles Chandler of 1049 Sunset Dr. are showing the jewelry they have made.

A display of specimens is the contribution of Connie and Shirley Robinson, 911 Valley Crest Drive. Robert Kozel, 1454 Olive Ave., has the various steps and examples of making a cabochon as his exhibit. John Hunter of 529 Seaview Pl. has his collection of specimens and jewelry he made from material he has personally collected. Last but not least is the fossil display of Rod Plew, 1002 Mar Vista Drive.

Visitors are welcome and anyone interested in gems and minerals or related subjects is invited to join.

Teeners to Seat Officers Sunday

North County Jewish Teenagers group invites all Jewish families of north county to attend its first installation of officers Sunday, Jan. 20, at 5:30 p.m. in the Avocado House, 995 East Vista Way.

Officers to be installed are Mike Singer, president; Dennis Gardner, vice president; Mickey Singer, treasurer; Lynn Banks, recording secretary; Gail Gardner, corresponding secretary; Marke Estes, refreshment chairman, and Patty Keifer, program chairman.

Installing officer will be Chaplain Clyde T. Sills of Camp Pendleton.

Reservations for the buffet dinner are being accepted by Mrs. Ann Estes, 729-3069 or Joe Singer, 724-4529.

2 New VCA Classes Start Today

Two new activities added to the recreational schedule of the Vista Community Association are hobby-craft for adults and chess for adults and children. Both of these activities will start Thursday, (today). The hobby-craft class will meet from 1 to 3 p.m. and the chess from 7 to 11 p.m.

Mrs. Linda Banker, hobby-craft class instructor, will display many examples of her numerous hobbies. Starting with such simple items as coffee cans, cottage cheese lids, egg cartons, aluminum pie tins, most projects will be transformed into accessories for the home. The charge will be 25 cents per lesson and the first class will be in Room 5 at the Recreation Center.

The chess club which closed for the summer and fall will reorganize this Thursday, in Room 5 at the Recreation Center. All those interested in chess are invited to attend the first meeting. If enough Interest is shown, the chess club will again meet once a week.

There's "World of Value" in Press Classified.

Spacemobile Produces Thrills — And Kittens

by George F. Voigtlander

The Spacemobile moved into Vista last week and after several days of interesting experiments, scientific lectures, and intensive discussions by Vista students, they moved out leaving behind three kittens on the stage at the Santa Fe School.

According to Mack Davis, principal, the stage was clear prior to the arrival of the Spacemobile and after it had been there for a day or so, the three newborn kittens appeared.

Now these fine men were responsible for some real hocus-pocus during their stay and several times they had the students bewildered and amazed with their experiments and lectures, but not once during their performance did they produce three kittens from a hat.

Needless to say, the kittens are here and I understand the saying at the Santa Fe School these days is—"anyone for kittens?"

For a professional result when papering walls with self-adhering plastic, overlap the strips at least one-fourth inch at all joinings.

Panther Band Sells Candy to Pay for Concert

The candy sale which is put on annually by the Vista High School Panther Band is now in full swing. The chocolate bars sell for only a 50 cent donation.

Proceeds of the candy sale will be used to cover the bus fare for members of the Long Beach Municipal Band. This professional band will give the students an opportunity to see the "pros" in action.

The municipal band in conjunction with the Panther Band will be presenting its annual concert sometime in early March. There will be free admission to all and the public is invited.

Audubon Group To Hear Park Ornithologist

Lloy Parratt, chief ornithologist of Glacier National Park, will present an illustrated lecture on birds of the northern Rockies, to members and friends of the Buena Vista Audubon Society Thursday, (tonight).

The open meeting will convene at 7:30 p.m. in the home of Ruth Coats, 3860 Skyline Dr., Carlsbad.

The professional biologist serves this field on the faculty of Chaffee Junior College. His summers have been spent for many years as a scientist-ranger at Glacier National Park. He is preparing a book on the bird life of the region and is a recognized authority.

There will also be reports on the local group's part in the national winter bird census and on the field trip to the Salton Sea wild life refuge recently taken by several members.

Moosa Canyon Man in Bind Over Water

SAN DIEGO (CNS) — A Moosa Canyon property owner's problems with the county health department over water for a new building are beyond the help of the County Board of Supervisors, board members decided Tuesday.

But the board also voted to let Ralph E. Swigart appear before it to make a personal appeal, if he still feels that there is something that can be done for him.

Board Chairman Robert C. Cozens reminded supervisors that Swigart's request for a hearing has been on the docket since late last year, awaiting reports from the health department and the public works department.

Swigart's problems, Cozens said, arise from his receiving a building permit from the county to construct his commercial building, and his failure to get a final okay because the public health department would not approve his water supply.

"His complaint," Cozens declared, "is that he should not have been given the permit to build if his water supply was not acceptable."

"The question," said Supervisor David W. Bird, "if we do hear this man, what can we do about it, if he's in violation."

"Nothing," answered Cozens, but Supervisor De Graff Austin suggested that the board "use its discretion" if a water supply is to be available in the near future.

Then, when the board was told that state law sets the requirements for water, the vote was to send the reports from the health and building inspection department and leave it up to Swigart as to whether he wants to come and make his complaint in person, knowing it won't change anything.

GOVERNING BOARD MEMBER ELECTIONS in the VISTA UNIFIED SCHOOL DISTRICT

Three members of Vista Unified School District for term expiring June 30, 1967.

Three members of Palomar Junior College District for term expiring June 30, 1967.

NOTICE IS HEREBY GIVEN TO THE VOTERS OF THE ABOVE DISTRICTS OF THE COUNTY OF SAN DIEGO, CALIFORNIA, that the Biennial Election for members of the Boards of the said districts will be held in the Vista Unified School District on the third Tuesday of April, namely April 16, 1963 for the purpose of electing the number of members of the governing boards of the districts as indicated above.

For the purpose of this election it has been determined that the school district shall be divided into the following Election Precincts:

SPECIAL ELECTION PRECINCT NO. 1

Shall include all the area within the exterior boundaries of the Vista Unified School District embraced in the following County General Election Precincts: Vista 2, 3, 6, 7, 8, 23, 24, 26, 27; and portions of Rainbow 2, 3, Vista 1, 4, and 5.

Polling Place will be at the Education Center, 200 Michigan Avenue, Vista, California.

SPECIAL ELECTION PRECINCT NO. 2

Shall include all the area within the exterior boundaries of the Vista Unified School District embraced in the following County General Election Precincts: Oceanside 42; Vista 9, 10, 11, 12, 13, 15, 16, 17, 18, and 25; and portions of Oceanside 41, 43, and Vista 14.

Polling Place will be at the Washington Junior High School, 740 Olive Avenue, Vista, California.

SPECIAL ELECTION PRECINCT NO. 3

Shall include all the area within the exterior boundaries of the Vista Unified School District embraced in the following County General Election Precincts: Vista 19, 20, 21, 22, 34, 35, 38, 39, 40; and portions of North Carlsbad 2, Vista 41, 42, and 44.

Polling Place will be at the Crestview Elementary School, 510 Sunset Drive, Vista, California.

SPECIAL ELECTION PRECINCT NO. 4

Shall include all the area within the exterior boundaries of the Vista Unified School District embraced in the following County General Election Precincts: Vista 28, 29, 30, 31, 32, 33, 36, 37; and portions of Vista 43, and 46.

Polling Place will be at the Lincoln Junior High School, 100 Escondido Avenue, Vista, California.

The polls will be kept open between the hours of 7:00 o'clock a.m. and 7:00 o'clock p.m.

The election returns will be canvassed at 9:00 o'clock a.m. on April 22, 1963 by the Registrar of Voters, 4005 Rosecrans, San Diego 10, California.

Deadline for the receipt of absentee ballots is April 13, 1963.

Forms for declaration of candidacy may be obtained at the Office of the County Superintendent of Schools, 6401 Linda Vista Road, San Diego 11, California or at the Registrar of Voters, 4005 Rosecrans, San Diego 10, California.

The last day for filing declarations is March 1, 1963.

Each qualified elector of said Vista Unified School District shall be entitled to vote only in the School District Election Precinct of which he is resident.

Date: January 10, 1963.

Notice to Bidders

NOTICE IS HEREBY GIVEN that the Vista Unified School District of San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District, will receive up to, but not later than 2:00 o'clock P.M. of the 31st day of January, 1963, sealed bids for the award of a continuing contract to furnish General School Supplies for a period commencing April 1, 1963 and ending March 31, 1964.

Such bids shall be received in the office of the Governing Board of said District located at 200 Michigan Street, Vista, California and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, and all other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of said board at the above address.

The District reserves the right to reject any or all bids, to accept or reject any one or more items of a bid, or to waive any irregularities or informalities in the bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

Resolution No. 3909

RESOLUTION AND ORDER OF BOARD OF DIRECTORS OF VISTA IRRIGATION DISTRICT ESTABLISHING POLLING PLACES, APPOINTING PRECINCT BOARDS, AND FIXING THE HOURS FOR THE OPENING AND CLOSING OF THE POLLS FOR THE GENERAL ELECTION TO BE HELD FEBRUARY 5, 1963.

WHEREAS, a general election will be held within the Vista Irrigation District Tuesday, February 5, 1963, to choose a successor for each of the offices of the offices of

DIRECTOR — Division Two
DIRECTOR — Division Four

and

WHEREAS, it is necessary under the provisions of Section 21652 of the Water Code for the Board of Directors of Vista Irrigation District to designate precinct boards and polling places for each precinct in which there is a candidate to be voted upon; and

WHEREAS, under Section 21653 of the Water Code said Board may fix the hours for the opening and closing of the polls.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Board of Directors of Vista Irrigation District as follows:

1. The polling place and precinct board for each precinct is fixed as hereinafter provided. Said precinct shall be coextensive with each of the Divisions as heretofore established and described. There shall be four (4) election officers constituting the election board in each precinct, namely, one inspector, one judge and two clerks, and their compensation for so acting shall be $18.00.

FOR DIVISION No. 2

Precinct No. 2 shall include territory lying within Division No. 2 of said Division and consist of County Precincts 24, 26, 27, and 30.

Polling Place: 719 East Los Angeles Drive (Rumpus Room) Vista
Inspector: Shirley B. Kent
Judge: Cora Culver
Clerk: Elsie H. Hogue
Clerk: Ida P. White

Precinct No. 2A shall include territory lying within Division No. 2 of said Division and consist of County Precincts 6, 7, 29 and 33.

Polling Place: 720 Alta Vista Drive (Recreation Hall) Vista
Inspector: Buna Charlton
Judge: Helen L. Haberland
Clerk: Martharose Arnold
Clerk: Lila A. Darling

FOR DIVISION No. 4

Precinct No. 4 shall include territory lying within Division No. 4 of said Division and consist of County Precncts Nos. 28, 36, 37, and 38.

Polling Place: Carpenter's Hall, 353 Broadway, Vista
Inspector: Emily D. Sexsmith
Judge: Helen E. McIntyre
Clerk: Dorothy Fotheringham
Clerk: Winifred Hanzlik

Precinct No. 4A shall include territory lying within Division No. 4 of said Division and consist of County Precincts Nos. 31, 32, 34, 35, and 41.

Polling Place: Grange Hall, 1050 So. Santa Fe, Vista
Inspector: Janet E. Johnson
Judge: Hazel R. May
Clerk: Alfred J. Norton
Clerk: Becky S. Bergman

The polls in each precinct shall open at 9:00 o'clock A.M. February 5, 1963 and close at 7:00 o'clock P.M. of said day except as provided in Section 5734 of the Election Code.

BE IT FURTHER RESOLVED that the Secretary of this District be and he is authorized and directed to cause notice of the day, hours and polling places in each precinct to be published in the manner and for the time required by Section 21654 of the Water Code.

I, L. R. Burzell, do hereby certify that I am the Secretary of the Board of Directors of the Vista Irrigation District and do further certify that the foregoing is a true, full and correct copy of the order of the Board of Directors as duly passed and adopted by the Board of Directors at a regular adjourned meeting of said Board duly held on the 15th day of January, 1963, and do further certify that said order now appears in the minutes of the Directors' meeting of that day.

DATED THIS 16th day of January, 1963.

Jan. 17, 24

YOUTH FACILITY . . . . Looking over a proposed YMCA youth facility on the Agua Hedionda lagoon in Carlsbad are Gregory Losa of the Carlsbad Optimist Club, Russell Grosse, chairman of the YMCA lagoon committee; and Ray Nelson, YMCA executive for the Tri-City area. Dedication of the site is set for 2 p.m. Saturday.

Will Dedicate Aquatic Park At Carlsbad

Saturday, Jan. 19, at 2 p.m., the YMCA of North San Diego County will dedicate an Aquatic park. This is the first such facility in the North County and it will be used by youth in the area for such activities as boating, sailing, canoeing, fishing, swimming, beach parties and numerous other programs.

The facility is located on the middle lagoon of the Agua Hedionda in Carlsbad. It has been made available through the efforts of the San Diego Gas and Electric Company, the Santa Fe railroad and the City of Carlsbad.

The Optimist Club of Carlsbad has assumed the responsibility of constructing a boathouse on the site and fencing the area. Work will be completed in the very near future.

The facility will be made available to all youth groups in the area on a scheduling basis. The public is invited to take part in this program.

GRADUATES . . . . Lamont A. West, 22, specialist five, US Army, has graduated from the 7th US Army Non-Commissioned Officer Academy in Bad Tolz, Germany. The son of Floyd West, 510 N. Melrose, entered the Army in 1957, arrived overseas on this duty tour in 1961 and is a helicopter crew chief in the 90th Transportation Company in Illesheim.

Carrier Corner

by Fred Wallace
Circulation Manager

BILL FERGUSON
. . . This week's newsboy

Bill Ferguson, 14-year-old San Marcos Junior High student, has had his route since February of last year.

Bill delivers to the Press subscribers on Buena Creek as far as Lone Oak Road. His politeness is refreshing in itself, as some boys seem to be afraid of expressing or exercising it. Bill is an aspiring artist and his hobbies run to collecting and playing stereo records.

We have three new carriers this week as Roger White took over the West Sunrise area, Kenny Bowers started running the Bluegrass area route, and Richard Rutherford was delivering Grapevine, Emerald and the related streets.

These boys, among others, have started the new year right, with enthusiasm, well directed into a paper route where they will be justly rewarded.

The cold mornings we have had lately have given the boys who won pocket handwarmers on their routes the opportunity to make use of them in a time of need. Many of the boys who earned bike lights and flash lights have also remarked how useful the items are on dark mornings during this time of year.

These boys have reinvested, after a fashion, in their routes, thus making them easier and more pleasant to run.

A major league baseball club uses approximately 850 dozen baseballs in a season.

District Deputy To Present Elks Special Award

Frank Bowden, district deputy grand exalted ruler, Charles Lanser, California state vice president, and John Graham, district chairman, will attend Vista Elks Lodge meeting, at 8 p.m. Friday, Jan. 18, to present a special award.

For the fourth straight year, the lodge received this award for the largest per capita donation to be used for treatment of Cerebral Palsy Children in South Coast District, which includes eight lodges all in San Diego County.

Ed Brown, chairman of the cerebral palsy committee, will accept the plaque. He announces the next piggy bank night will be held Feb. 15.

Bob Kelly who killed his deer near Meeker, Colo., this year, with Bill Pearce and Lars Soyland assisting, will donate and serve a venison dinner starting 6:30 p.m.

Local members are asked to come and make this a big night, also all visiting and Stray Elks in Vista area are invited as guests of Vista lodge.

Letters Taken From Mailbox

Sharon K. Glasgow, of 1030 Corvalla Dr., reported to the sheriff's sub-station that letters had been taken from her mailbox Friday between 3 and 4 p.m.

She said the letters had been torn out and the envelopes discarded in a ditch nearby. It was the second such occurrence in recent weeks, she said.

Two long-distance telephone operators, David Bird, 26, of London, and his bride, the former Gloria Harris, 19, of New York City, met on the job. Their romance blossomed during conversations across the Atlantic Ocean.

Boys' Club Given $400 By Junior Clubwomen

The first 1963 meeting of the Junior Woman's Club was held Wednesday, Jan. 9, at the clubhouse. Mrs. Betty Peterson, assistant director of the San Diego HEAR Foundation, was guest speaker.

Mrs. Peterson brought a HEARometer with her, and demonstrated its use in testing the hearing of infants. The Juniors are thinking of holding a HEAR clinic for the public sometime in February.

The next polio clinic will be held Friday, Jan. 18, from 7 to 8:30 p.m. at the Woman's Clubhouse, 155 Park Avenue, in Vista. Mrs. Robert Sayles, parliamentarian of the Junior Woman's Club, and a registered nurse, said that many people still did not realize that it was necessary to have the Salk vaccine for immunization, whether or not the Sabin serum was taken. Dr. M. Frank King will assist at the polio clinic.

The induction ceremony for the Tri-Hi-Y girls, sponsored by the Juniors, will be held at 7:30 p.m., Thursday, (tonight) at the clubhouse. Many Juniors, as well as parents and relatives of the girls, will attend.

The Junior's night at the Nor-San Players last Saturday was a sell-out.

Vistans attending the winter conference of San Diego District Juniors last Saturday at the Catamaran in Mission Bay were: Mmes. Barney Fields and Robert Smith, delegates; I. C. Horwitt, junior co-ordinator; Lewis Jones, James Kiley, and Vance Langford.

The Vista club donated $400 to the Boys' Club in the name of Don Watson. This money will be used to establish a Boys' Club for the use of local boys.

Husbands night will be held at the regular Feb. 13 meeting when a potluck supper will be served.

The board meeting was held at the home of Mrs. Robert Glaze, 542 East Los Angeles Dr., Wednesday night, Jan. 16. A film on Easter Seals will be shown at the next regular meeting, Wednesday evening, Jan. 23, at the Woman's Clubhouse. Guests are invited.

Hostesses for the Jan. 9 meeting were Mmes. Robert Glaze and James Van Slyke.

An initiation ceremony for new Juniors is planned at the home of Mrs. Floyd Cunningham, junior co-ordinator, in February.

60 Plus Ladies Welcome Three New Members

The ladies auxiliary of the 60 Plus Club met Monday, Jan. 14 at the Grange Hall, with Blanche Kelley presiding. The meeting was opened with the salute to the flag, followed by minutes of the December meeting and treasurer's report. Fifty members answered roll call and three new members introduced were Mabel Bond, Mattie Hinxon and Grace Cramer.

The nominating committee for next year was selected and approved by the membership. They are Ada McNutt, chairman, Jessie Oberholtzer and Leta Williams.

A letter was read from the San Diego Heart Association asking for assistance in the February heart fund drive.

The business meeting was closed with the Lord's Prayer.

A salad bar luncheon and card party followed the business meeting, members and guests numbered 100. Door prizes were won by Edith Davis, Helen Annen, Irene Hallier, Grace Skeen, Hildegard Johnson, Ruth Warner, Agnes Crane, Mattie Hinxon, Josephine Moore and Hazel Victor.

The next meeting will be held Monday, Feb. 11 at the Grange Hall, at which time a hot meal will be served instead of salad. Mrs. Irene Swift at 724-1943 or Mrs. Gladys Abrahamson will take reservations.

CLUB LEADERS . . . These women will head the Woman's Democratic Club of Vista this year and were installed at the Avocado House on Jan. 9. Left to right, Mmes. Frank Mersy, secretary; Cy Skolnick, vice president; Cecil Lane, president; Eugene Wolf, treasurer.—Press photo.

Mrs. C. Lane Installed Head of Demo Women

The Women's Democratic Club of Vista held a brunch at the Avocado House on Wednesday morning, Jan. 9, at which time Mrs. Cecil Lane was installed as the new president.

Mrs. Lane presented to the group some of the plans for the year, which include three major luncheon affairs in Vista, and a Democratic statewide issues conference at Bakersfield to be held on March 29-31.

Other officers who were installed at the brunch were Mrs. Cy Skolnick, vice president, Mrs. Frank Mersy, secretary; and Mrs. Eugene Wolf, treasurer.

The membership discussed the formation of an 80th A.D. Democratic council of clubs. Discussions on the formation of a council have been held in the North County for the past two months, with the acceptance of by-laws for a council made at a meeting of party leaders in Encinitas on Jan. 7.

All Democratic Clubs in the 80th A.D. have been sent copies of the by-laws and have been invited to join the Council. The Vista Women's Democratic Club voted to become a member of the 80th Assembly District Democratic Council.

Camp Fire Leaders Report 39% Gain in Membership

The Carlsbad-Vista Leaders Association of Camp Fire Girls held its monthly meeting in Carlsbad on Jan. 8, with president Mrs. Donald Stewart, Carlsbad, presiding. Paul Poore, Vista, who is adult membership chairman of Camp Fire's District Committee and peanut sale chairman, reported that official permission has been obtained for Blue Birds and Camp Fire Girls to sell peanuts at specific areas in Camp Pendleton during the two week sale which begins on Friday, Jan. 18.

Sales may be made at the Main Exchange, area 15; the commissary store, area 22; and at the Ship's Store at the U.S. Naval Hospital. Mrs. Lawrence Ferguson, Vista, is in charge of coordinating sales groups at Camp Pendleton.

Mrs. Eugene Medlin, of the program committee of the North County District Committee of Camp Fire Girls, told plans underway for the March 25 Birthday Fair to be held in Vista.

This will be a celebration of the 53rd birthday of Camp Fire Girls. Mrs. Paul Looney and Mrs. Richard Mullen of Vista will assist Mrs. Medlin in coordinating plans. Mrs. William LaBree will assist in making decorations.

Also attending from Vista were Mmes. Robert Kintz, Gene Wright, Robert Flohre, Looney, Raymond Randall, Frank Throckmorton, Walter LaBarreare, Ridgley Harman, Marvin R. Busch, Jr., Mullen, Curtis Dahl, Ferguson, William Brooking, G. W. Menzie, LaBree, Lyndon Reynolds, Lavinia Collier, Richard Patterson, Gene Harmon and Kenneth Mills.

From Carlsbad were Mmes. Charles N. Clark III, John Garcia, William Sims, Herbert Lacey, John Ducy, W. D. Claycomb, Euel Allred and Donald Stewart. Mrs. Mildred Lorenzan, District Director for Camp Fire Girls was also present.

Rebekahs Extend Public Invitation To Installation

The Vista Rebekah Lodge No. 372 and Independent order of Odd Fellows Lodge No. 488 will hold their installation of officers at 8 p.m. on Friday, Jan. 18, in the Carpenters Hall at 353 Broadway. This affair will be open to the public.

Rebekah officers-elect are Amy Elston, noble grand; Vivian Hogan, vice grand-elect; Elda Patten, treasurer; Erma Kosanovich, recording secretary; Mabel Loryea, financial secretary; and Goldie Baisley, three year trustee.

Officers-elect of the Odd Fellows are, Theo Watts, noble grand; Harry Neukaemper, vice grand; James Bonds, secretary; Arthur Kuehl, treasurer; and Frank May trustee for a three year term.

An invitation is extended to the public to attend and especially any members of the orders who may be sojourning in the vicinity.

Back row, Mrs. John Kent, Mrs. Harry Miller Jr. and Connie Mitts.—Vista Press photo.

Square Dance Will Benefit Retarded Tot

Chuck Carroll who calls for the Swinging Eagles and Travelin' Squares in San Diego will guest call for Vista Twirler's square dance at Vista's Grange hall this Friday, 8 to 11 p.m.

Vista Twirlers are pleased at the response to the beginner's square dance class. There is room for more students who may register at the second class, Jan. 22, 8 p.m., Vista Grange hall. Vic Biewener is caller.

Twirler's benefit square dance for mentally retarded children on Jan. 25, at Palomar College cafetorium will feature Biewener and guest callers, mystery guests and surprises.

Dancers accompanying Chuck and Hazel Dreasher, "couple of the month" to Sol-Ana Swingers were Bob and Fran Miller, Bob and Kay Priester, Mel and Pearl Wilkinson, Orlan and Esther Nunn, Claude and Ruby Goodloe, thereby making it possible to steal their banner. The Dreashers will visit Sea Side Squares Jan. 19 and Oceanwavers Jan. 24.

Four squares of Twirlers will stage an exhibition dance at the NCO Club at Camp Pendleton Thursday evening. This affair was arranged by Wendall State, Twirler's secretary.

There will be a board meeting at Doc and Maxine Wendees, in Oceanside, on Sunday evening when final plans will be made for the benefit dance.

All Saints Guilds Meet Today at Member Homes

Women of All Saints Episcopal Church will begin their 1963 luncheon Guild meetings on Thursday (today) following a 10 a.m. celebration of Holy Communion at All Saints Church.

Members will then go to the meetings at the following homes; St. Anne's, Mrs. J. C. Floyd, 339 Durian St.; St. Catherine's, Mrs. William Diener, Route 4 Box 30; St. Elizabeth's, Mrs. John Eberhart, 1946 Camino Loma Verde; St. Margaret's, Mrs. W. Y. Bellert, 1144 Shadow Mountain Ter.; St. Martha's, Mrs. E. E. Underhill, 1244 Alta Vista Dr.; St. Monica's, Mrs. Loren Peele, 1725 Montgomery; and St. Theresa's, Mrs. Richard Hopper, 1024 Bonnie Brae Pl.

Announcement is also made of the annual meeting of All Saints Parish on Sunday, Jan. 20. On that day there will be a special 10 a.m. service of the Holy Communion and the regular 11 a.m. service will be canceled.

Coffee and sandwiches will be served, following the service and before the annual meeting is called to order, by members of the Women's Organization of All Saints.

All church members are asked to attend church and the meeting, on Jan. 20 and to arrange baby sitting plans and social engagements ahead to avoid conflicts. This is a once a year occasion and an important one to all church members, said Mrs. Harold Wakefield.

Three Initiated Into Chapter of ESA Sorority

Members and guests of Theta Alpha chapter of Epsilon Sigma Alpha international sorority attended a model meeting Monday evening, Jan. 7, at the home of Mrs. Margaret Radtke, of Ocotillo Dr. Mrs. Pat Thompson was co-hostess.

Rushees attending were Ann Harris, Pat Jacoy and Betty Gunter. They were initiated in the aims and ideals of ESA by Mrs. Nancy Tiburski, educational director, who read "The Scope of ESA".

The hostesses presented the educational program for the evening. In keeping with the theme of this year's program "Home Decor", they decorated the master bedroom and bath on paper, showing swatches of the type of furniture, draperies, bedspreads, paints and floor coverings used.

Special guests for the evening were Mrs. Dorothy Jo Murray, international field director of ESA, Virginia Pearson and Honey Heefner.

Social visiting and refreshments concluded the meeting.

Beta Sigma Phi Valentine Ball Plans Finalized

The annual Beta Sigma Phi Valentine Ball sponsored by Omega Xi, Psi Nu, Theta Sigma and Xi Zeta Psi chapters for charity will be held at the Carlsbad Twin Inns on Saturday, Feb. 9.

The Latin Kings will furnish music for dancing from 9:30 p.m. to 1:30 a.m. The highlight of the evening will be the crowning of the queen of the ball by last year's queen, Mrs. Charles Darland.

The monthly meeting of the city council was held at the home of Mrs. Arthur Barnes on Jan. 9. Mrs. Donald Schelling, city council president, conducted the business meeting. General plans for the dance, the choosing of the princesses from each chapter and the final choice of queen were discussed.

Each chapter will select their princess at their next meetings, with the exception of Omega Xi whose princess is Virginia Rutherford. Social chairmen Mmes. George Bartee, Thomas Kelley, Marjorie Mason and Murphy Wallace, headed by Mrs. Jack Fears are in charge of the Valentine Ball.

The four princesses will be honored at the next meeting of the city council to be held at the home of Mrs. Louis Larson, 1305 Eucalyptus Ave., at 8 p.m. on Monday, Feb. 4. At this time, by closed ballot, the queen of this year's Valentine Ball will be selected.

MR. AND MRS. RICHARD ALLAN BILLSTROM
. . . Repeat Vows.—J. Ahrend Studio

Dianne Bigler Becomes Bride in Mormon Rites

Mr. and Mrs. E. B. Bigler of Estrelita Dr., announce the marriage of their daughter, Dianne, to Richard Allan Billstrom.

Billstrom is the son of Mr. and Mrs. W. V. Billstrom of Chula Vista.

Vows were exchanged on Dec. 14, at the Los Angeles Latter Day Saints Temple.

The bride's gown, in French belled motif, was of white de Lustre satin and overskirted by French lace. A detachable white satin chapel sweep train draped gently from her waist. A wreath of aurora borealis crystal and pearls crowned her finger tip veil. She carried a bouquet of white butterfly orchids and lily of the valley. The gown was made by her mother.

The bride's attendants, Miss Kathy Bigler, maid of honor, Miss Barbara Bowman and Mrs. Jeanette Inman, bridesmaids, wore dresses of Christmas red peau de soie and carried single long-stemmed white roses.

David Christiansen served as best man.

Following the ceremony, the couple received guests in the Huntington Park stake lounge of the Church of Jesus Christ of Latter Day Saints. The lounge was decorated in Christmas bouquets of poinsettia and white gladiolus.

Mrs. Bigler wore a beige faile suit with peacock blue accessories and an orchid corsage. Mrs. Billstrom was in a dark blue and white print suit-dress and wore silver accessories and an orchid corsage.

The bride's parental grandparents, Mr. and Mrs. D. E. Bigler, were in attendance. Mrs. N. H. Webb, her maternal grandmother, of Utah was also present.

A small reception was held on Dec. 15 in the Vista LDS Chapel.

For her wedding trip to the Grand Canyon, the bride selected a royal blue sheath with black peau de soie accessories and a four strand crystal necklace, a gift from her husband.

The new Mrs. Billstrom was graduated from Vista High School in 1958. She is a graduate of the California School of Nursing in Los Angeles. Her husband was graduated from Brigham Young University school of engineering.

The newlyweds are now at home in Orange, Calif., where he is employed at Autonetics.

Nazaroff-Haprov Nuptials Said in Molokan Church

Miss Sally Ann Haprov, daughter of Mr. and Mrs. Morris A. Haprov of Foothill Drive, exchanged wedding vows with Edward William Nazaroff Dec. 30, in the 1st Prohladnye Molokan Church in Los Angeles.

Rev. Nicolas B. Metchikoff performed the ceremony.

Mr. and Mrs. William J. Nazaroff of Kerman, Calif., are the parents of the bridegroom.

Some 800 friends and relatives attended the wedding which, according to Russian Molokan tradition, lasted from 9:30 a.m. to 4 p.m.

The new Mrs. Nazaroff graduated from Vista High School in 1959. Her husband attended school in Kerman and was recently discharged from the U.S. Army.

The newlyweds are making their home in Los Angeles.

INSTALL OFFICERS . . . . The First Lutheran Church Women installed new officers last week and the ceremony is pictured. The officers are, clockwise, starting lower left, Mmes. Ted Minge, parliamentarian; Eber Bacon, recording secretary; Ted Haberland, education secretary; Alfred Norton, corresponding secretary; Charles Arneson, installing officer; Fred Bjornson, president; Gordon Hagen, publicity; Graham Rutherford, vice president; Gerald Ballmer, stewardship; Milton Olson, treasurer; Ron Riedberger, program chairman.—Press photo.

Mrs. Bjornson Seated as Lutheran Women's Head

The Women of the First Lutheran Church installed their officers during the first inspirational meeting of the year on Wednesday, Jan. 9.

Outgoing president, Mrs. Charles Arneson, turned over the gavel of her office to Mrs. Fred Bjornson and inducted the following into office: Mmes. Graham Rutherford, vice president; Eber Bacon, recording secretary; Alfred Norton, corresponding secretary; Milton Olson, treasurer; and Theo Minge, parliamentarian.

Committee chairmen seated included Mmes. Theo Haberland, education; Ronald Riedberger, program; Arneson, publications; Gerald Ballmer, stewardship secretary; and Gordon Hagen, publicity.

The devotions were read by Rev. A. Kluver, a friend of Pastor and Mrs. Magnus Anderson.

Mrs. Haberland gave the introduction to the Bible study for the new year, followed by a skit "Bless Us Four" by Mrs. Erling Wold.

The cast included Audrey Olson, Marion Ramage, Vivian Lageson, Diane Clark, Irene Sathrum, Sheila Koon and Alice Madsen.

Refreshments were served by the Esther Circle under the chairmanship of Mrs. Olson.

Opti-Wives Aid Tecate Orphans

Details of the Optimist sponsored photo contest for junior and senior high school students were revealed at the Vista Opti-Wives Club meeting Tuesday, Jan. 8.

The highlight of the meeting was the appearance of Bob Pope of Sports 'n Photo who showed colored slides of the Popes' recent trip to Europe.

It was announced the club had given two drums of fuel oil to Mrs. Joe Laib for her orphanage work in Tecate, Mexico. Previously, the club donated clothing and food to Mrs. Laib for this work.

The Opti-Wives are sponsoring a troop of Camp Fire Girls under the leadership of Mrs. Francis J. Throckmorton.

CAROUSEL CHATTER

Clubwomen to Hold Creative Writing Workshop Friday

by Helene Kampe

An innovation in the program of the Book Section of the Woman's Club of Vista will take place Friday, Jan. 18 when a workshop in creative writing will be conducted at 1:30 p.m. in the clubhouse, revealed Mrs. J. H. Haworth, chairman. Mrs. Jack Thomas of Norwalk, state chairman of literature and drama will preside at the affair to which invitations have gone out to the public and women's clubs in Palomar district.

Houseguests

Mrs. W. G. Shedron of Denver is spending several weeks with Mrs. Wilbur Dempsey. Last Sunday they entertained Mr. and Mrs. Walter Thaning of Hemet who had recently returned from a six month visit in Europe.

Readying Home

Mr. and Mrs. Hermann R. Kahler of Anaheim are completing plans to soon occupy their Fairview Drive home. She is only here on weekends now while he operates their rabbitry in Anaheim.

Weekenders

Mr. and Mrs. Ralph T. Brengle entertained the Richard Brumfields of Princeton, Ind. last weekend on their first trip to Vista.

From LaCrescenta

The Slane Stump family will be moving in to their new home on Buena Creek Road the end of this month. They are coming from LaCrescenta.

Newcomers

Mr. and Mrs. John G. Wright of El Monte are here periodically while supervising the construction of their home on Olive Ave. The wholesale nurseryman and his wife are planning to make their permanent home here in the near future.

Texas Visitors

Mr. and Mrs. Sylvan Sanders left last weekend after spending a week with his aunt, Mrs. C. D. McCauley. The visitors are en route to their home in Lubbock, Tex.

Star Club Hosts Member Only Luncheon Today

The regular meeting of Star of Vista chapter No. 556, order of Eastern Star, on Thursday, Jan. 10, was well attended by members and visitors. Worthy matron Estelle Norton and worthy patron James Bartee presided in the East.

Helen McNeal, deputy grand matron of the 90th District of the State of California, OES, was introduced and seated in the East. Ten past matrons, three past patrons of Star of Vista chapter were escorted to the East and introduced, also Margaret Milversted, past matron of Bellview chapter No. 359, Iowa; Agnes McDaniel, past matron of Beulah chapter No. 99, San Francisco; Christian Dutsch, past patron of Martha Daylight chapter No. 502, Tulsa, Okla.; Marguerite Dutsch, past matron of Circle chapter No. 403, Tulsa, Okla.

Under good of the order, Helen McNeal congratulated the officers on their work. Irene Field asked for blood bank donations; Lula Crossman announced the next cancer dressing work day will be Jan. 22 and asked for more volunteers; she also announced five members had attended a tea in San Diego to meet the new state chairman, Ruth Zimmerman.

Luella Aljian, president of Vista Star Club, announced the monthly luncheon Thursday (today) at 12:30 p.m., followed by a short meeting and games, and invited all members to attend.

Vic Moen, master of Vista Masonic Lodge, thanked the committee for the ladies night dinner on Jan. 8. Mrs. Norton announnced on Jan. 22 Star of Vista officers will open the meeting at Poinsettia chapter in Oceanside; Jan. 24 will be junior night when the 1962 officers will open chapter; Feb. 3 will be a reception and dinner at the El Cortez Hotel, San Diego for the grand officers of California.

The after-chapter chairman was Eidth Ecker assisted by Mary Hartel and Dorothy McCarthy, who served refreshments in the dining room.

PJC President To Address Teachers Group

The Avocado House, 995, East Vista Way, at 12 noon, Monday, Jan. 28, will be the meeting place for the regular meeting of the North San Diego County Division of the California Retired Teachers' Association, as confirmed by President D. Raymond Brothers at the board of directors' meeting Monday, Jan. 14.

Dr. John W. Dunn, president of Palomar College, will be the guest speaker and his topic, "The Junior College in California," a pertinent question of the day in California. According to Mrs. Elsie King, program chairman and first vice president, members and friends will hear musical numbers by the Three Strings trio: Mmes. James Nardi, harpist, Vernon Jones, cellist and Kathryn Griswold, violinist.

Members are asked to make their reservations early and to bring personal news items regarding members for Mrs. Lillian Croonquist, editor of the new Division Bulletin, "The Spotlight." Friends and retired educators new to Vista or the organization are invited to attend and may make reservations with President Brothers, PA 4-8694.

* * *

Wash walls from the bottom up. Dribbles of cleaning solution on dirty walls make streaks that are hard to take out.

Bonsall PTA to Hear S. Hoxie

Bonsall PTA (San Luis Rey Council) will hold its regular meeting in the school auditorium Thursday, (today) at 7:30 p.m.

Speaker for the evening will be Stephen Hoxie, chairman of the local study committee on School District Organization and Unification in the Fallbrook area.

Sixth grade mothers are in charge of the refreshments.

Diet Watchers Tell Clubs' Background

Monday morning the Buena Vista TOPS Club held its weekly meeting at the Recreation Center.

Two guests were present and Anna Kief was queen for Group II. There was no queen for Group I. Mrs. Kief is the oldest member in this club and, at 81 years of age, it is believed she must be one of the oldest members of any TOPS Club in the country.

A penalty box was established for the "pigs" (gainers), and the "pigs" at Monday's meeting each drew a penalty and humbly performed it at that time in front of the rest of the members.

Next week there will be a silent auction and each member is asked to bring an article for it. Plans are being made for a series of speakers of interest to the group.

For those interested in this club, TOPS means Take Off Pounds Sensibly and the first club was organized in 1948. There are 1562 clubs in the United States, with California leading with 274 clubs. TOPS stresses the idea of group therapy and has the approval of doctors all over the country.

Included under TOPS are the TOPS-In-Waiting group whose name speaks for itself, and KOPS meaning Keep Off Pounds Sensibly for those who have attained their desired weight. TOPS clubs are not for women only. Many men belong to such clubs, and there are also many junior TOPS groups.

Anyone in the Vista area is welcome to attend these meetings and they are held both morning and evening one day each week to enable everyone to attend. Interested persons may contact the leader, Mrs. Patsy Stotts at 724-5794.

Literacy Aide Tells of Work

Delta Iota chapter of the Delta Kappa Gamma Society, an international honorary organization for women educators, held their Jan. 10 meeting at the home of Mrs. Amos LeFevre in Escondido.

The speaker for the evening was Mrs. George Newburn, former Vista teacher, who is now devoting full time as a volunteer worker as chairman of the North County Literacy Council.

Mrs. Newburn spoke on "A Look at Literacy Work in Guatemala", and showed slides of her recent trip to Guatemala. The purpose of her trip was to help establish the new Literacy Center in Antigues in the home of Dr. Elena Castens, with Miss Dot Cason as director of the center.

The purpose of such literacy centers throughout other countries, is to train people as teachers, who then teach others to read and write, she said.

Assisting Mrs. LeFevre as hostesses for the dinner meeting were Mmes. Charles Dove, A. P. Rotta, and L. G. Zollinger.

* * *

Birds' songs have a variety of meanings. According to naturalists, most of the early spring songs of birds is by way of announcing their claim on certain nesting locations.

Opal Franklin, Dennis Black Troth Revealed

OPAL FRANKLIN
. . . Engaged
—J. Ahrend Studio

A flower bedecked engagement ring centerpiece revealed the engagement of Opal Pauline Franklin to Dennis Lee Black at an open house hosted by his parents, the Lawrence E. Blacks of Alta Vista Dr. Sunday afternoon.

The bride-elect is the daughter of Mr. and Mrs. John E. Franklin of Prospect Place.

Some 40 intimate friends and members of the immediate families were present for the announcement affair held in the Black home.

Miss Franklin is a junior attending Vista High School and her fiance was graduated from Vista High last June. He is stationed with the U.S. Air Force in Biloxi, Miss.

No date has been set for their wedding.

Waggin' Tung Sez . . .

At a time when it's hard to think of anything except smudge pots, cold weather, iced up sprinklers, and new troubles that we ain't never had before, I want to tell you about a success story. Just to bolster my spirits up more than anything else. . . .

When we found Senor Arco, as I have nicknamed him, he was livin' in one of those deplorable grass huts that I been tellin' you about off and on for the past six months. He had a bunch of rocks on the outside of his house, and people told me that he was a rock carver, but I couldn't believe that a man that lived in a place like that would have anything on the ball. . . .

Now that Arco and his woman, Carolina, have a new house bulit, that's the one that was built out of the old venetian blinds that neighbor George Stahlman had told me that we could have, just to clean up his backyard a little bit.

With those old metal blinds and some framin' lumber that come outta the old school house where Richard Nixon went to school, and some corrugated roofin' that Jim Sinclair told me to buy over at Funk's junkyard, and some insulation outta old water heaters that Funk give to the cause, and some cement contributed by the society editor of the Vista Press for a new stove, and some more roofin' donated by Fred Herrick of Vista—Senor Arco took a new lease on life. . . .

With his new house done, Arco has time to spend in his line of work—rock carvin'. A very neat display counter or stand is at the corner of his house for passer-bys to see what they can pick up in the way of Indian art work on rock with an Egyptian touch.

For a $4 bill Arco will sell you a carved rock that took him all day to make. For $5 you can get a chunk of wood that took him almost two days to make. His top price for the big stuff is around $9, and he spent almost a week on that.

The other day when I was tellin' John Cosh about Senor Arco, John said it might be a good idea if we made up a little display with some pictures of Arco and set it in the corner of his bank. So when you go in to John's Security Bank this week, stop and take a look at what I'm talkin' about.

There's just one thing that worries me about this thing though, and that's what we found out last Wednesday when we was down there last. . . .

A big typewriter executive from Sacramento was there the day before and bought Arco out, lock stock and barrel, and besides he gave him enough orders to keep him busy for two months. Arco will take orders on anything you might want, but he wants you to know that it'll be a while before he can get around to it. . . .

It's nice knowin' these successful people, and who knows? One of these days I might be runnin' around the countryside deliverin' rocks for Senor Arco. After all, he does have a good product.

STORK SHOWER . . . . Mrs. Betty Thum of Hillside Terrace was the honoree at a baby shower held Tuesday, Jan. 8, at the Jesse Patten home, 1530 San Luis Rey Ave. Present were front row, Florence Cronkhite, Joyce Wilkins, Betty Thum, honoree; Betty Patten, hostess; Pearl Linville. Back row, Blanche Sprague, Barbara McDonald, Pearl Thum, Georgia Robbins, Ida Skjegstad, Pauline Lilly.—Vista Press photo.

Camp Fire Girl Leaders Hear Details of Peanut Sale

The North County district committee of Camp Fire Girls met Friday morning, Jan. 11, at the home of Mrs. Robert Kintz, 1290 Barbara Drive. Mrs. Earl E. Johnson, chairman, of Fallbrook, presided at the meeting.

Mrs. Charles Pearson of Vista, group organization chairman, reported that Camp Fire membership in Vista, Carlsbad and Fallbrook increased 39 percent in 1962. The three communities have a total of 589 registered members at present.

Chairman Johnson announced that the San Diego County Council of Camp Fire Girls will hold its annual dinner meeting on Tuesday, Jan. 22, at 6:30 p.m., at the San Diego Woman's Club.

Guest speaker will be John W. Ackerman, Scout executive of the San Diego County Council of Boy Scouts of America. His talk will be "No Other Plan." Ackerman has two daughters in Camp Fire and his wife is a Camp Fire guardian.

Also on the agenda at the meeting will be awards to Camp Fire workers as recognition for distinguished service and election of officers.

Plans for the Camp Fire Birthday Fair to be held in Vista in March were discussed by program chairman Mrs. L. E. Knute of Fallbrook. The birthday celebration will be held from 1 to 4 p.m. on Sunday afternoon, March 24, at the Lincoln Jr. High School cafetorium.

Mrs. Paul Looney, Vista, will coordinate Camp Fire and Blue Bird displays. A film of Camp Wolahi will be shown by Miss Pat Russell, camping director for the San Diego Council.

The next meeting of the district committee will be held at Camp Cahito in Balboa Park, San Diego, on the morning of Feb. 15. The district committee will host this outdoor meeting, with all the Blue Bird leaders and Camp Fire guardians from the North County as invited guests.

Those attending the meeting from Vista were Mmes. Arthur Hulbert, Pearson and Kintz. Carlsbad members present were Mmes. Donald Stewart, William Sims and Brad Johnston. From Fallbrook were Mmes. Clyde Hallsted, Richard Crookes, Harold Neufeld, Knute and Johnson. Mrs. Mildred Lorenzan, district director of Camp Fire Girls, was also present.

Clubwomen Pay Tribute to Dedication of Mrs. Stolz

At the January meeting of the Woman's Club of Vista, Mrs. H. M. Sherwin of Encinitas conducted a special memorial service in tribute to Mrs. Charles E. Stolz.

A capacity audience, including reciprocity guests from Carlsbad, Clairemont, Escondido, Mission Beach, Oceanside, Poway, San Diego, San Dieguito and San Marcos heard Mrs. Sherwin praise Eleanor Stolz for her tireless efforts to unite 1800 women with a common purpose into the organization that is the present Palomar District, California Federation of Women's Clubs.

Mr. Stolz was twice president of the Woman's Club of Vista, a member of the San Diego District Executive Board and charter president of Palomar District. Mrs. Sherwin said that Eleanor's initiative, faith, courage, vitality and selfless service were attributes that would always live in the memory of those privileged to know her.

Mrs. J. E. Mangan, membership chairman, introduced the new members who were pinned by Mrs. Nathan Sears. Welcomed into the club were the Mmes. Arthur Davis, Walter Sertic, Reginald Craig, Frank Stewart and Gene Stevens. Speaking for the literature section, Mrs. J. G. France announced a creative writing workshop on Jan. 18 at 1:30 p.m. She invited all members to attend this open meeting.

Members were also urged to attend the next meeting of the Palomar District at Marty's Valley Inn on Jan. 22. The Oceanside Woman's Club will hostess this event which begins with registration and coffee hour at 9:30 a.m.

Mrs. H. C. Coffman, international affairs chairman, presented Mrs. Leroy Hudson who introduced Chari Lin, the Vista exchange student from Thailand.

In her maiden appearance as a guest speaker, Chari captivated her listeners with her melodic voice and sparkling personality. She said she was most happy to be here and correct the bad impressions she had gained from U.S. movies and TV programs she had seen in her native land. The Indians were always treated so badly in those, while, in reality, such was far from true.

On rock and roll, she said that in Thailand when a person gets the "shakes," to a devout Buddhist it means that an important deity is punishing an offender. When her mother found her brother "shaking" she was greatly disturbed because she was not aware that he was only emulating an American TV rock and roll artist.

Miss Lin said she was so glad to learn first hand the truth about life in U.S.A., but she did think our housewives work much harder than those in Thailand. She was most bewildered by the multitudes of occupations on the daily agenda of U.S. women.

Chari proved a splendid example of the A.F.S. motto "Walk together, talk together, all ye peoples of the earth, for then and only then shall you have peace."

Mrs. Gerald Johnson, art chairman, introduced Mrs. H. J. Fulton who spoke of the Friendly Service Group and invited those present to view the exhibit of their practical art. She said this group met to assist those less fortunate. Beneficiaries are needy aged, those recommended by the Vista welfare coordinator, the Door of Hope and the Big Sister League.

All financial needs are met from the goodness of member's hearts. Mrs. Fulton invited all members to join the group at the work sessions in the clubhouse on the first and third Mondays of the month.

Before adjourning the meeting, the president, Mrs. R. A. Norton, thanked the tea committee, hostesses and decorations committee for their efforts in helping to make the January meeting outstanding.

Grandmothers Welcome Seven New Members

Vista chapter No. 35 State Grandmother's Club of California held its first meeting of the year at Grange Hall. New members welcomed into the club were Mmes. Ivy Lewis and Gertrude Booth from Vista, Adele Parkinson; Betty Turnbull, Anna M. Berg, Genevieve Graiff and Mildred Hayes from Fallbrook.

Guests introduced were Mrs. May from Canada; Georgia Austin, Detroit Mich., Elsie Medlyn from Vista and Stella Carroll and Blanche Hagadorn from Escondido.

Helen Means, sewing chairman, announced that the sewing circle will meet at her home on Anza Drive at 9 a.m. Monday, Jan. 21. All members are asked to bring sewing equipment, sack lunch and any materials that can be used in their work.

Club president, Helen Burr, urged members to begin to collect articles for the yearly rummage sale to be held in April. Contact Mrs. Burr for a place to store articles until April.

There were 55 members present. Luncheon was served by Sophia Bates and her committee; Helen Burr; Goldie Baisley, Jessie Brandow and Mary Blunck.

The next meeting will be held at Grange Hall Monday, Feb. 4 at 10:30 a.m.

Questers Club Plans Potluck Friday Evening

The next meeting of the Questers Club is Friday, Jan. 18, with a potluck dinner at 7:30 p.m. A program and dancing to records is planned.

"Single people—men—women, alone or with an escort—are welcome. If you never heard of the Questers, come get acquainted. If you want to come to the dinner, but wonder what to bring, call me," said Florrie Carlisle, 729-2811.

The Questers are an organized social group for men and women, ages 25 or older, who are single, widowed, widower or divorced and is sponsored by the Oceanside Parks and Recreation Department. Regular meetings are held first and third Fridays each month in Room 1 at the Community Center.

For further information call SA 2-8271, Ext. 45.

Harlan Sisters Troths Revealed By Parents

Former Vistans, Mr. and Mrs. Russell Harlan of Long Beach recently revealed the betrothals of their daughters, Diane and Michele, at a family dinner.

Miss Diane is engaged to Stephen Karl Lang of Naples, Long Beach.

Her sister, Michele, will become the bride of Robert Stanley De Lacy of Long Beach on Saturday, Feb. 2, at the First Methodist Church in Long Beach.

Both girls graduated from the Academy of the Little Flower in San Luis Rey and attended the Westlake School for Girls in Bel Air, the Bishop School in La Jolla and the University of California at Santa Barbara.

THE VISTA PRESS

THE PROGRESSIVE NEWSPAPER OF NORTHERN SAN DIEGO COUNTY

SECTION B — THURSDAY, JAN. 17, 1963 — VISTA, CALIFORNIA

WE HAVE A NEW PRODUCT THIS YEAR . . . . Camp Fire Girl Margaret La Barreare (right) a veteran peanut salesgal, tells the younger Vista Blue Birds about the new three-pack of toffee flavored peanuts to be sold throughout San Diego County Jan. 18 - Feb. 3. Already with happy smiles are Melodie Ferranto, daughter of Col. and Mrs. Felix Ferranto, 1163 Anza Ave., and Jan Miethke, daughter of Dr. and Mrs. John Miethke, 1149 Lime Pl. The peanut pack includes cinnamon, butter and coconut toffee flavored peanuts, all packed in re-usable plastic containers. Sale proceeds go to the Camp Fire Girls camping program. Margaret is the daughter of Mr. and Mrs. Walter F. La Barreare, 1593 San Luis Rey Ave.

Peanuts Enable Girls to Build Camps

Where Camp Fire Girls are concerned, "peanuts" is a magic word. At least, it seems that way, said Paul Poore, peanut sale chairman for the north county and father of a Camp Fire Girl. The profits from the Camp Fire's annual peanut sales have made possible the beautiful Camp Wolahi, 40 acres of beautiful forest camping area in the mountains east of San Diego.

The sale of peanuts has provided all the improvements there, everything from a huge heated swimming pool to a dining hall, water and sanitary systems, and tent houses and cottages. Improvements at Camp Cahito in Balboa Park, Camp Fire's day and group camping site, have been made possible by the peanut sale. Peanuts have also paid for a 40 acre primitive camp site near Poway, providing an important addition to San Diego County Council's long-term planning.

On Jan. 18, Vista, Fallbrook and Carlsbad Camp Fire Girls and Blue Birds will join ranks with over 5,000 Camp Fire Girls all over San Diego County in this annual selling venture. These young business women take pride that 44c out of every dollar's worth of nuts sold go to their camping program which is available to all Camp Fire members.

The capital improvements as well as the land at the camp sites have been paid for solely from funds derived from the annual peanut sale, not through any form of governmental subsidy nor money from taxation. The United Community Service drive does not contribute funds to the camp facilities, either.

The Camp Fire Girls are offering this year a somewhat different peanut product—an assortment of three plastic containers of toffee coated peanuts—one cinnamon, one coconut and one butter. They are packed together in a colorful window carton. The carton sells for $1.

With such an attractive sales item and worthwhile purpose behind the peanut sale, expectations are high for one of the most successful campaigns in years. The girls can't wait to get started selling their peanuts.

2,700 Students See Program on Spacemobile

Some 2,700 Vista students, grades 6 through 12, participated in the Spacemobile assemblies given by the National Aeronautics and Space Administration last week.

School assemblies were held at Vista High School, Washington Junior High School and Santa Fe Elementary School. Students from the other elementary schools (Olive, Bobier, Crestview, Beaumont and Grapevine) were transported to Santa Fe for the program, while Lincoln Junior High students held their assembly at the high school.

The program featured a lecture and a display of the many space vehicles. The speakers were very entertaining as well as informative and were well received by the students.

Dr. P. F. Trotta Will Address 60 Plus Club

P. F. Trotta, M.D., will address the 60-Plus Club of Vista, Thursday, Jan. 24, at a potluck to be held at 6 p.m. in the Grange Hall, S. Santa Fe Ave.

Dr. Trotta, a member of the San Diego County Heart Association, will discuss coronary heart disease, the problems of management after a heart attack and the need for regular medical examinations after recovery. A film entitled "Coronary Heart Disease" will be presented. A question and answer period will round out Dr. Trotta's presentation.

Vic Schneider Is Reassigned

Airman Basic Victor L. Schneider, whose wife, the former Marion L. Cantrell of 316 East Dr., and his mother, Mrs. Juanita P. Schneider, reside in Oceanside, is being reassigned to Whiteman AFB, Mo., for training and duty as a fuel specialist.

Airman Schneider recently completed United States Air Force basic military training at Lackland Air Force Base, Texas.

He is a 1960 graduate of Oceanside High School.

Place a piece of charcoal in a tool box to prevent tools from rusting.

Welcoming Hostesses Told Diversity of Professions

Recent newcomers to Vista greeted by Mrs. Myrtle Smith and Mrs. Janet Pfleeger on their rounds as Welcome Wagon hostesses included engineers, retirees, service personnel and an author who has lectured around the world on spacecraft.

Mr. and Mrs. Harold W. Savill of Inglewood, Calif., are now settled in their Osborne Street home. He retired last April after 15 years in the nortronics branch of Northrup Company.

Also new to Osborne Street is the Luke C. Smith family formerly of Mountain Home, Idaho, where the father worked on missiles before retiring as a master sergeant from the US air force. Two sons, Clifton, 12 and nine year old Mark complete the Smith household.

With Librascope

When Librascope transferred Donald L. Edgar from its Glendale plant to San Marcos, the senior mathematician decided to make a home for his family in Vista.

With Mrs. Edgar, he moved their three boys and five year old daughter from Reseda to a new home on Santa Clara Drive where they are all making new friends.

Mr. and Mrs. John J. Cook rented a home on Lemon Street until they bought a permanent home on Hackamore Road. He is active in gas station maintenance.

Harry E. Buell was a salesman for the National Biscuit Company for 40 years until his recent retirement. The former salesman and his wife recently arrived from San Luis Obispo to take up residence on Foothill Drive.

Joins Sisters

Wishing to join members of her family, Mr. and Mrs. George R. Means of Munster, Ind., bought a home on East Los Angeles Drive, after his retirement from 38 years with the Chicago and Calumet District Transit Company.

Mrs. Eunice Wiersema of Eucalyptus Ave. and Mrs. J. A. Phillips of East Los Angeles Drive are Mrs. Means' sisters.

A transfer from Quantico, Va., to Camp Pendleton preceded the arrival of 1st Lt. and Mrs. William E. Russell with their four-year old daughter, Mary Lynne, who are now settled in their home on Hillside Terrace.

GnySgt. Melville J. Douglas, Mrs. Douglas and their three youngsters recently arrived from Detroit to take up residence on Crestview Road. He is stationed with the Marines at Camp Pendleton.

Mr. and Mrs. William R. LeMasters of Southgate, Mich., are at home on Woodland Drive, with their four daughters and 11 year old son. LeMasters is an electrical engineer with Hughes Aircraft Company in Oceanside.

From Michigan

His mother, Mrs. Hazel LeMasters, and her twin sons are also getting settled in the Woodland Drive duplex since their arrival from Grosse Ile, Mich. Jonathan and David, 17 year old seniors at Vista High, also have a sister living in San Marcos. Mrs. LeMasters is a civilian clerk-steno in base maintenance at the Marine base.

The John W. Austins of St. Joseph Mo. have established their home on Barbara Dr. Until his retirement, he was with the legal division of the US Coast Guard in Washington, D. C. and she was with the Federal Aviation Agency in the nation's capital. They lived in Warrenton, Va., while employed in Washington.

Carlsbad was home for George Adamski until he recently purchased a house on Lado de Loma. The writer specializes in space articles and has had three books published. He has lectured here and abroad. Mrs. Alice K. Wells also makes her home on Lado de Loma.

DINNER MEETING . . . . The Downtown Property Owners Association held its annual election at a dinner meeting at the Avocado House, Tuesday, Jan. 8, and part of the members and wives attending are pictured. At the head table are Mssrs. and Mmes. Joe Fotheringham, Alex McDougall, Oliver Clark and Graham Rutherford.—Vista Press photo.

Days of Old West Ignored At Carlsbad

A "big gun" on the 1st Marine division sharpshooter team found out the hard way at Carlsbad last Thursday that pistols in saloons went out with the Old West.

S. Sgt. James W. Moore Jr., 34, told officers en route to Oceanside jail that he was just showing off his .45 caliber automatic to a friend in a downtown tavern.

Officers said they found the unloaded pistol in Moore's waistband when they checked on a reported argument involving a man with a gun.

Moore was booked on a charge of carrying a concealed weapon.

Understanding officers drove Moore past his home, so he could drop off his spaniel, Fifi, with his wife.

For Land's Sake

Tells Need of Water Analysis for Crops

by John H. Miner

In a dry year like this it takes a civic club like the Vista Optimists to invite a speaker to discuss flood control. The program was arranged by Art Hulbert and like all Optimists Clubs it was enjoyable to attend. The talk was centered on the work on Buena Vista Creek and a little about the history of the watershed work in the Soil Conservation Service. The club with its membership from Vista was well aware of the project and was interested in the discussion. The only thing an after-dinner speaker values more than audience interest is a good meal and the meal we had was excellent.

oOo

Chemical analysis of well, stream and spring water used for irrigation is vital information used in selecting the type crop to be grown and in the management of water. This is especially so in this area where the primary crop is avocados which are salt sensitive.

The analysis of water is made in varying details by many commercial laboratories. The Agua Buena Soil Conservation District in cooperation with the Soil Conservation Service provides the service on a limited basis to cooperators within the District.

In taking a water sample be sure it is a representative sample, for example the samples from wells should be taken after the pump has been running for some time. Samples from springs and streams should be taken from running water and not from ponds or stilling basins. One other thing to remember is to have the sample processed as soon as possible since the continuing chemical and biological activity may alter the composition of the sample.

For more information stop by the SCS office in Vista or call Fallbrook 728-1332.

oOo

There is an old saying from the north of England that is worth thinking about. It is "Live as if you were going to die tomorrow. Farm as if you were going to live forever."

oOo

The work on the main channel of Buena Vista Creek is now being finished. Drain inlets are being connected, backfilling continues, pavement is being replaced and, in general, finishing up work is being done. Looking back on the construction probably the most outstanding thing was the fact that one of the first major flood control efforts in the northern county was started during a rain season that broke all records for being the driest. This was of benefit to the contractor if any of you can take any consolation in this fact.

The next contract will be on Subwatershed "C" that stretch of channel that runs into the main creek behind Rodgers Real Estate office and parallels South Santa Fe terminating at the crossing on Highway 76. The contract is now being prepared with plans being drawn and reviewed.

Extra Job for Car Owners Now Underway

California vehicle owners have an extra job this year, one they haven't tackled for seven years — attaching new license plates. "And, simple as the task might seem, there are several legal restrictions to be observed," Capt. D. W. Merry, commander of the California Highway Patrol's Oceanside area, said.

"When two plates are issued, one must be placed on the front of the car, one on the rear. They must be firmly attached, so the plates don't swing, and they must be not less than 12 inches nor more than 60 inches from the ground.

"They must be clearly visible, which means trailer hitches, license plate holders, and bumpers should not obscure the plates. In addition, no covering may be used on plates except a type approved by the Patrol.

"Since legibility of plates is the key to vehicle identification, the law makes it clear that license plates must be properly mounted and clearly visible at all times."

The captain pointed out that it also "would be a good idea to write down the number of your 1963 plates, along with the identification number of your car (which is printed on the registration slip).

"During the early weeks of 1963 it will be difficult to locate these numbers in Sacramento files because of the massive records change-over involved in issuing new plates to millions of owners. Thus if you have forgotten your new number, it may be difficult to locate your car or the plates if either is stolen."

Clark Returns To CamPen

Marine Staff Sergeant Tommie W. Clark, son of Mrs. Bernice V. Clark of 253 Woodland Dr., returned to Camp Pendleton, in mid-December with the Fifth Marine Expeditionary Brigade after taking part in the United States quarantine in the Caribbean.

The 18,000 Navymen and Marines called from the West Coast were embarked in more than 20 ships of the Pacific Fleet Amphibious Force. The force spent 51 days at sea and visited Panama, Puerto Rico and Jamaica.

Place a roll of shelf paper in an empty waxed-paper container of similar width. Then the paper can be torn off evenly on cutting edge.

Burning Pots Bring Firemen

When the smudge pots at Jobe's Breeze Hill Ranch on Melrose Avenue were started up Sunday morning the glow of the fires brought a hurried call from a neighbor who told the Vista Fire Department that a huge fire was burning on the hillside.

Firemen responding to the call found everything under control at the Breeze Hill, where falling temperatures were the only problem.

Busy Bareroot Planting Lies Ahead for Gardeners

For gardeners who come from colder climates, the phenomenon of a California winter is twofold. First there's the miracle of winter bloom from annuals, shrubs and trees. Then, there is the pace of garden life. Far from grinding to a halt, garden activity steps along at a lively clip, as the winter months usher in one of the busiest planting seasons.

The reason is that winter brings with it the bareroot planting season in California, which means that the months from mid-December to mid-March are the best to plant any number of dormant trees and shrubs. Most fruit trees, many shade trees, deciduous flowering shrubs and vines, berries and grapes all can be most easily and economically planted during the winter.

Roses top the list of plants which are available now in bareroot, not only the two new All-American award winners, Tropicana and Royal Highness, but favorite roses of past years including bush, pillar and climbing types. Other dormant shrubs to be planted now are flowering quince, lilac, weigela, mock orange and forsythia.

Shade Trees

Most deciduous shade trees are also planted during the bareroot season. A partial list of favorites would include sweet gum, maidenhair, weeping willow, sycamore, tulip tree, modesto ash and moraine locust. A local nurseryman can help choose the best shade tree.

Many of the best ornamental flowering trees are deciduous which means you'll find them bareroot in nurseries now. These include dogwood, saucer magnolia, hawthorn, silk tree and the flowering fruits, Japanese cherry, flowering peach and crabapple.

If you long for a home fruit orchard, now is the best time to start it. Apples, pears, apricots, peaches, plums, cherries, plus pecans, almonds and walnuts are recommended for planting during winter.

Another point to consider when planting a home orchard is how many trees the garden can accomodate. When space is crowded, the best bet is to use dwarf fruit trees or trees on which several varieties have been budded to a single root-stock. The thing to remember about dwarf trees is that while their overall size is considerably less than normal, their fruit is of standard size and quality in every respect.

Minor Pruning

Most bareroot trees and shrubs need some minor pruning at planting time. The best procedure to follow here, is to let a nurseryman show you how to go about it.

The roots, on dormant trees or shrubs will usually be wrapped in a protective covering to keep them from drying out. The ideal practice is to plant them as soon as possible after getting them home. If there is any delay, say one to several days, do what nurserymen call "heeling in." That is, dig a shallow trench and bury the roots with moist soil until you are ready to plant them in a permanent location.

Occasionally some of the smaller roots will have dried out or broken. These should be pruned out before planting, and all roots should be shortened to about eight or 10 inches. Here again, ask a nurseryman for guidance.

The planting hole need not be overly large if soil is fertile and loose. Where the soil is poor, however, large planting holes are a must. The soil, moreover, should be removed and mixed with compost or manure to insure that the young shrub or tree will have an easy time of it at the start.

Hearing Set on Check Charges

A probation hearing is scheduled Feb. 25 in connection with guilty pleas by a Rancho Santa Fe attorney of grand theft and worthless check charges totaling $22,106.

The lawyer, Glenn R. Feist, entered the pleas at his Superior Court arraignment before Judge William P. Mahedy. Feist previously had entered the same pleas in Municipal Court.

Feist pleaded guilty of stealing $15,106 and writing worthless checks totaling $7,000. Three other charges of writing worthless checks and one of grand theft were dismissed Dec. 29 in Municipal Court after Feist pleaded guilty of the first two charges.

Badger Elected

Election of Charles (Chuck) Badger, 32, of Cardiff, an agricultural contractor, as president of the San Diego County Young Republicans has been announced. He succeeds Jack Grassie, who did not run for re-election.

Bowling is growing so rapidly, a course in training managers of bowling centers is available in college.

Arrested by FBI

The arrest of a civilian employe for allegedly stealing government property has been announced by the Federal Bureau of Investigation. He was identified as Oval Dean Weaver, 39, of Escondido.

FBI Opening Branch Office In Oceanside

The Federal Bureau of Investigation has announced opening of a new resident agency in Oceanside to serve the north county.

E. C. Williams, special agent in charge at San Diego, said the office at 403 Wisconsin, will be dedicated Friday.

Maj. Gen. James M. Masters Sr., Camp Pendleton Commander will officiate with Williams at ribbon-cutting ceremonies.

Civic, military and business leaders will be invited to an open house beginning at 2:30 p.m.

The FBI office for the area has been located at Camp Pendleton since its establishment in 1951. The new facility will serve the area north of Del Mar and Poway to San Onofre and Rainbow, including the Marine Corps base, and east to Borrego.

James A. Scanlon will continue as senior resident agent. Other agents assigned here are E. J. Miller, William D. Valentine and Paul Lamberth.

Bond Drive In Escondido

A citizen's committee has planned 50 to 60 "coffee hours" in Escondido this month to explain a high school district bond request for $189 million.

The issue will go to approximately 16,500 Escondido Union High School District voters in a special election Feb. 5.

San Marcos...

Methodists Host Family Nite Friday

by Myra Wilkinson

Church Family Night will be celebrated Friday starting with a potluck dinner at 6:30 p.m. in the social hall of the San Marcos Community Methodist Church. Mrs. Eris Fortunato will be in charge of the program and Vince Cleveland will be master of ceremonies.

The sermon topic as announced by the pastor, Rev. Jerome G. Blankinship, for next Sunday morning will be "The Book of Light."

At the 6:30 p.m. service the second in the series on "Missions" will feature a talk by Miss Dorothy Newburn of Vista who will speak on South America. Miss Newburn, an associate of Dr. Frank Laubach, has recently returned from that country.

At the regular meeting of the Woman's Society of Christian Service held last Thursday in the social hall of the church, plans were discussed for the group to sponsor another cinerama tour in the near future.

At the meeting Mrs. Clara Morrisson, was appointed to fill the post of prayer leader of the group while Mrs. Ruth Uhland is on leave of absence. Mrs. Julia McCallum was luncheon hostess, assisted by Mrs. Sue Jones. Mrs. Martha Trexel, program leader, had as her topic, "Home Missions," with an accent on youth. Mrs. Elizabeth Spencer led the devotions.

The Steadfast Circle will meet Friday, Jan. 25, at the home of Mrs. Beatrice Miller. Rev. Blankinship will give the review on the study book, "The Dimensions of Prayer." Mrs. Morrisson will lead the devotions.

Valley Bible Will Elect '63 Officers

The Valley Bible Church of San Marcos on Encinitas Road services for the week of Jan. 20 open with church studies at 9:30 a.m. with classes for all ages.

The church worships at 10:30 a.m. with music by the choir. Message by Pastor K. R. Mead will be "The Prophecy of Joel," the second in a series of pre-Easter messages on the Minor Prophets.

The children's church meets at 10:30 a.m. with Mrs. Mead as director. They are studying the Book of Genesis with the flannelgraph.

The Children's Group, "The Pioneers For Christ" meet in the evening in the children's chapel at 6 p.m. with Mrs. George Udov as leader.

The Youth Group with Rev. and Mrs. R. Franklin as directors meet at 6. The Evening Gospel Service is at 7 p.m. There will be a Bible Quiz on Hebrews 11:20-40. Pastor Mead brings a prophetic message on "Four Great Days in the Bible."

Mid-Week Service

The mid-week service "The Hour of Power" meets at the church. Choir is at 7. Bible Study is at 7:30 studying the Book of Joshua. Read chapters one and two before you come, says Rev. Mead. Prayer time is at 8:15.

The annual meeting of the church with election of officers for 1963 will be held at the church Wednesday, Jan. 23 at 7:30 p.m. Reports from all the organizations of the church will be given at this time. Plans for the New Year will be proposed.

Members and friends of the church are invited to this special meeting, said the pastor.

Grand and Bent

by Eris Fortunato

IF YOU THINK YOU have been working too hard, ask Vern and Carol Billman of the Speedee Mart or Kathleen and Lyell Hildebrand of the Bread 'N Bottle how much time they had off last year. It just proves that the 40 hour week doesn't apply to everyone and that there are no unions for small independent businesses.

—oOo—

EARL GRIMES is responsible for the following quotes, but Herb Bergstrom must share the blame because he recommended them for publication: "You can tell a happy motorcyclist — by the bugs on his teeth!" And, "Mixed emotions—when you see your mother-in-law drive over a cliff — in your new Caddy."

—oOo—

IN KEEPING with the national trend, this column has selected a local Man of the Year! The choice is Norman Paul, for the time and effort he put in as Chamber of Commerce president — and for being an all round good guy in working tirelessly and unselfishly for San Marcos.

—oOo—

JOKE? ? ? The bride prepared and proudly served her first meal, a chicken dinner. After her husband began to carve, he asked anxiously, "What did you stuff if with darling?"

"I didn't have to stuff it at all, sweetie," she answered. "It wasn't hollow!"

'Pappy' Feugate Funeral Held

Edmond M. (Pappy) Feugate, 53, a Camp Pendleton maintenance man since 1951, died Saturday, Jan. 12, at his home in the Easy Living Trailer Court in San Marcos.

Feugate was born in Kansas, and moved to California in 1940. He had lived in San Diego County since 1951. He was a member of Escondido Moose Lodge 1887.

Survivors are a son and daughter-in-law, Mr. and Mrs. James E. Feugate, of San Bernardino; a daughter, Peggy, of San Marcos; his mother, Mrs. Mary Boatman; a brother, George, both of Kansas, and three grandchildren.

Service were held Tuesday from the Palm Mortuary Chapel with the Rev. Wymon L. Witt, pastor of the First Baptist Church officiating. Burial followed at Oak Hill Memorial Park, beside his wife, Juanita, who died Jan. 4, 1960.

Exchange Class Science Project

Franklin Lochridge's eighth grade class at San Marcos elementary school has been exchanging science experiments with Mrs. Wilma Ramp's eighth grade class. They have been working with molecules and the dissection of animals.

In history the class is studying the second unit of the Constitution. It explains the qualifications for senators and about impeachment.

Peggy Biszmaier Wins DAR District Award

Miss Margaret (Peggy) Biszmaier, daughter of Mr. and Mrs. Harry Biszmaier of Sycamore Ave., has been named winner of the District Nine award for Good Citizenship, given annually by the Daughters of the American Revolution. Announcement was made by Mrs. Leo F. McGuire, state chairman.

The San Marcos High School senior representing Rincon del Diablo chapter is the first to win a district award from this area. District Nine is composed of San Diego, Imperial and Riverside counties.

The DAR selects the winner of the Good Citizens Award on the basis of dependability, which includes truthfulness, loyalty and punctuality; service—cooperation, courtesy and consideration of others; leadership—personality, self-control and ability to assume responsibility, and patriotism—unselfish interest in family, school, community and country.

The state is divided into nine districts and the winner in each district is selected on the basis of a test in American history (60 percent) and the activity report (40 percent). The district winner receives a $25 U.S. Government Bond and competes for the state honors.

The state winners will be named at the society's state conference in San Francisco, March 12-15 at the Sheraton Palace Hotel. Entrants will be judged on the basis of assigned tests, character and autobiography. The state winner will compete for national honors.

MARGARET BISZMAIER . . . Wins DAR Award

Miss Biszmaier is president and a four-year member of the Girls Athletic Association; is secretary and publicity commissioner of the San Marcos Associated Student Body; is a life member of the California Scholastic Federation (having received straight "A"s since entering high school); is a member of the San Marcos Honor Society and is editor-in-chief of the school newspaper. She has received her entire education in the San Marcos Schools—entering kindergarten there in 1950.

May Extend Richland Ave. To Junior High

SAN DIEGO (CNS) — Extension of Richland Avenue, in San Marcos, to create a new street leading up to the San Marcos Junior High School, was approved Friday by the County Planning Commission.

The request for the new street was a joint application from the San Marcos Chamber of Commerce and David K. Speer, road commissioner-county surveyor.

The extension of Richland Avenue is to run from First Street to the school. Its acceptance into the county-maintained road system, the commission ruled, will depend upon local property owners granting the county 60 feet of right of way for the street and upon their paying to improve it to county standards.

Palomar 4-H Aids Orphans

Would you like to help orphans in Mexico? The Palomar 4-H is leading a drive to collect used clothing and canned foods, reported Tom Early.

If you have anything to donate, such as outgrown clothing or extra canned foods, please call 727-7207 for further information; any and all donations are needed and will be greatly appreciated.

There will be a meeting on Wednesday, Jan. 23, at the Alvin M. Dunn Elementary School cafeteria at 7:30 p.m.

Order Hearing On Twin Oaks Valley Zoning

SAN DIEGO (CNS) — A public hearing on a plan of permanent zoning for the Upper Twin Oaks Valley area of San Marcos was ordered Friday by the County Planning Commission.

No date for the hearing was set, to await settling problems as to public notice, but planning department guesses are that it will be on Feb. 11.

Most of the area involved is already under interim zoning, established in September, 1961, by the County Board of Supervisors and then continued for another year on Sept. 25, 1962.

At the request of H. R. Triplett, an additional area is being included in the permanent zoning.

The land to be permanently zoned is mostly in agricultural use. Owners have been seeking to limit these uses to "light" farming. They have opposed dairies or hog ranches, allowed under "heavy" farming, to come into the area.

Rowells Have Girl

Mr. and Mrs. Curtis Rowell of San Marcos became the parents of a 5 lb. 8¾ oz. girl born at 5:11 a.m. Monday, Jan. 14, 1963, at Palomar Memorial Hospital.

State Aid as Related to Feb. 5 Bond Issue Told

On Feb. 5 citizens of the Escondido Union High School District will be asked to approve a bond issue for $1,890,000 so the district can continue in the State School Building Aid Program and add facilities at Orange Glen High School. However, only $840,000 will be needed for the additions.

This fact has led to inquiries from some taxpayers as to why the district should want to remain in the state aid program.

Colley Jeffers, president of the board of trustees, explains the reason as one of economy. It is actually possible to finance the extra facilities with no increase in taxes by staying in state aid. He has issued the following statement to help voters understand why:

The district can legally sell bonds for construction purposes up to five per cent of its assessed valuation when approved by a two-thirds majority vote. If this amount of money is not enough for the needed facilities, the state will advance the necessary financial assistance on a long-term loan basis.

Less Than 40 Cents

Ordinarily it requires a 40 cent tax rate to retire bonds if a district is bonded to capacity. However, when a district is not bonded to capacity, it will require less than 40 cents, and the difference between bond redemption rate and the 40 cents is repaid to the state.

In other words, if a district enters the state aid program, a ceiling of 40 cents for construction purposes is established, and the 40 cents will either go toward retiring local bonds or toward retiring both the local bond payments and a portion of the state aid loan. School districts are then in a position to keep pace with growth without pyramiding taxes for the local citizens.

There is also a provision in the law whereby loans are forgiven local districts after 30 years. Part of these bonds will have been retired by the local districts as repayments are made, but any bonds not so retired will be retired by revenues throughout the state.

For these reasons it is actually more economical to borrow locally, use that money to partially repay the state loans, then borrow the money from the state to build the additions. By doing this, the district remains in the state aid program and derives the advantages of the low tax rate.

A flying wasp makes about 110 strokes a second.

WOMEN'S APPAREL SACRIFICE

Marine Ham Makes World-Wide Contact

by Janet Pfleeger

"KL72NJ to WA 6 Uncle GeorgeGeorge."

On hand to answer the call from Fairbanks, Alaska, was "Uncle GeorgeGeorge" Sgt. Wesley L. Wilson, a local marine stationed at Camp Pendleton.

The Special Services sergeant is currently assigned to duty at the ham radio station on the base, a job which he is particularly well qualified to perform.

After a 10-hour work day, Sgt. Wilson returns to his home on Manor Drive where he continues sending and receiving messages.

"I usually spend an average of four hours a day at home," he said as he turned the dials that perform electronic miracles.

His new transmitter and receiving sets, a Christmas gift from his wife, replaced the ones he used when he first became interested in amateur radio operating in 1951.

"My father was an amateur operator. That's how I became interested in the hobby," he told me. "I began operating with the simplest equipment, some of which I made myself."

True Ham

"A true ham will build from scratch and should be able to repair his own equipment," he added.

"I bought my first equipment in 1960."

The most recent addition, a teletype machine, was a gift from a friend. A terminal tape distributor capable of sending 60 words a minute, and a linear amplifier which he built some time ago, complete the radio room. Extra equipment is stored in the family camper.

"Although I have invested only about $2,000, this equipment is worth nearly $7,000."

That this ham operator keeps busy with his hobby is evidenced by the charts, maps, and cards displayed on walls of his radio room. A map of the U.S. is dotted with stars indicating places of inter-communication.

The QSL cards to the right of the transmitter are exchange cards from some 60 operators across the country with whom he has become acquainted. The letters on the chart to his left tell from what spot in the world a certain message is coming.

Sgt. Wilson is concerned with public opinion regarding ham operators.

"Too many people think hams are responsible for the interference they get on their TV screen. If they understood ham radios better they would know this isn't usually true. Ham operators are most cooperative. They always help out in times of emergency."

Aid Mercy Ship

Just recently amateur radio operators have come to the rescue of the hospital ship, USS Hope, in Peru. With telephone workers and the postal department on strike, communications are at a standstill.

"All messages are being sent by amateur radio and teletype. Ham operators are really public servants. They can't accept money for their services."

Sgt. Wilson will be the first to admit that his hobby has really made Marine Corps service interesting. After working at the Marine Air Station in Kaneohe, Hawaii, for two and half years, he was transferred to the amateur station at Camp Pendleton in August 1960.

"We run phone patches and handle written traffic (radiograms)," he explained.

Communications originate from all corners of the globe from Alaska to Antarctica. There are no messages from Japan, however.

Japan Blacked Out

"The Japanese government won't allow third party traffic," Wilson added. "It cuts off telephone and western union revenue."

The four marines working at the base ham station handled over 8,000 messages during the holidays.

"In addition, I sent about 600 from my home."

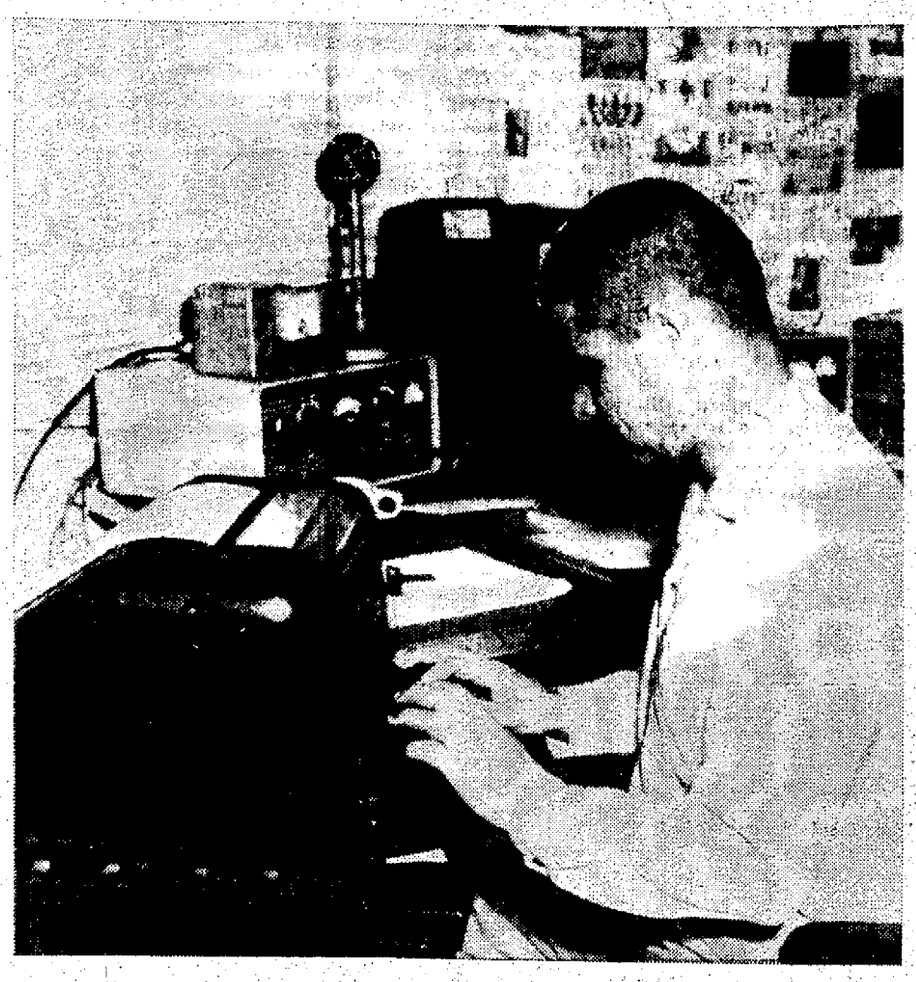
The destructive storm on Guam and the Cuban crisis were also busy times for the Camp Pendleton operators who keep the station humming from 6:30 a.m. until after midnight.

Camp Pendleton ranks No. 1 in the nation for traffic handling in stations having more than one operator.

Sgt. Wilson is also a member of NAV MARS (Military Affiliated Radio Service) whose headquarters is in Washington, D.C. This organization handles communications between military and civilian operators.

Wife, Arlene, shares her husband's enthusiasm for amateur radio.

"I'm studying for my license, too," she said. "Then maybe I'll see my husband once in a while!"



UNCLE GEORGEGEORGE . . . . Known to his civilian friends as Sgt. Wesley L. Wilson is pictured in his ham radio studio located in his home on Manor Drive. The Marine spends a good deal of his spare time seated at his recently-acquired teletype machine sending and receiving messages, sometimes of an emergency note and other times bearing words of happiness.—Vista Press photo.

2 Licensed to Sell Weapons

SAN DIEGO (CNS) — Licenses for two North County residents to sell weapons which may be concealed about the body were granted Tuesday by the County Board of Supervisors.

David L. Carpenter, of Encinitas, and Louis E. Duncan, 1360 Tower Dr., Vista, were the applicants.

James Rasmussen, tax collector, reported to the board that Sheriff Joseph O'Connor had investigated the applicants and recommended issuance of the licenses.

If the bottom of a door rubs slightly, lay a sheet of coarse sandpaper at the trouble point and work back and forth rapidly. This should sufficiently smooth down the wood to avoid need for planing.

Fair Board Hires Stars For '63 Event

While the rest of the county warmed winter-chilled bones, the fair board concentrated on summer as directors this week hired a star-studded cast for $65,000 to entertain at the county fair June 18 to July 7.

They also contracted for a 36-ride carnival.

Singer Andy Williams will headline a four-day show with the New Christy Minstrels, Malione Dancers and Candy Candido.

Comedian Soupy Sales will appear one day with western actor Smiley Burnette and the minstrels.

Don Ameche will star in the International Showtime Circus, a big-top production. Emmett Kelly Jr., who follows the tradition of his father as a clown, also will appear, as will the Bob Baker Marionettes. Variety acts again will be presented daily on the Don Diego stage.

Cohn Gets Contract

Directors approved a contract for the third year with West Coast Shows, represented by Bobby Cohn of San Francisco, to present the carnival. The firm guarantees a minimum payment to the fair of $65,000; the same as last year.

Fair manager D. Robert Jones said Cohn's bid was the only complete offer among four carnivals indicating interest in the fair.

Car Window Is Smashed

Alice M. Whitehead, 873 Osborne St., reported to the sheriff's substation that persons unknown broke the rear window of her car some time Saturday night. Nothing was taken from the car and she said she believes it was an act of malicious mischief.

Bill Borden to Conduct 1st CofC Session

The Northern San Diego Associated Chambers of Commerce will hold its first board meeting of the new year on Tuesday, Jan. 22 at the Escondido Chamber of Commerce office at 7:30 p.m.

This association, with representatives from the Chambers of Commerce of Borrego Springs, Carlsbad, Escondido, Fallbrook, Julian, La Jolla, Oceanside, Pauma Valley, Poway, Ramona, Encinitas, Leucadia, Cardiff, Sa nMarcos, Valley Center, Vista and Mt. Laguna, will meet in board meetings on the fourth Tuesday of each odd-numbered month and in dinner meetings in the even-numbered months. The dinner meetings will feature good programs.

According to W. P. (Bill) Borden of Valley Center, president of the group, Mrs. Frances Davidson of Fallbrook will be the secretary-treasurer of the association for the coming year. Borden was elected at the December meeting of the Associated Chambers.

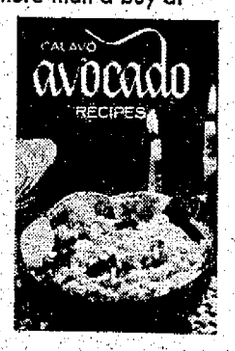
Lindbergh flew the Atlantic

Cal Coolidge *still* wasn't talking. Hemlines were rising. So was the stock market. The Model T was going out. Flappers! Prohibition!! The Charleston!!! Rassamatazz! And, hot off the presses—Calavo's brand new colorful packet of avocado recipes. Tasty treats sure to tempt the American appetite . . . to popularize the "alligator pear" . . . to sell more avocados to more people in far-away places. Like Iowa. And New York.

Since then—1927—Calavo has turned out dozens of recipe books. In millions of copies. Plus volumes of advertising. And educational materials used in many classrooms. For sound marketing is more than a buy at the grove, then a haul to some nearby market. It requires careful, long-term application of time, effort and money to build new demand for avocados—then ship to it. Sound marketing is a real responsibility. Calavo is geared to it. Select your handler wisely. Select Calavo. You owe it to your future.



Like a copy of Calavo's brand new 20-page recipe book. For yourself . . . or friends in other states? Just send us name and address with 25 cents for each to cover postage and handling . . . to Recipe Book, Calavo Growers of California, Box 3486, Los Angeles 54.

WHAT'S DOING

Ever wonder how the Long Distance Operator takes down information when you place a call with her? She uses a special electrographic pencil to record the needed information on a printed card. With this method the operator can do it faster if you give her the information in this order: (1) Area code and number you're calling; (2) any special instructions; and (3), when she asks, your own number. This way it's possible to start your call right after step (1) and can save time in completing your operator handled calls.

Toll calls in the North County area are handled by approximately 170 operators located in the toll office at 111 North Freeman Street, Oceanside.

We invite you to visit this office, either individually or in groups, and see in person how these operators handle your calls. Miss Edna Pilcher, our Chief Operator, will be happy to make the arrangements if you will call her personally on 722-1198. From Vista and Fallbrook, call collect.

The shortest distance between two friends is a telephone call.

Looks like this girl might be holding a pile of soft TV pillows. Actually, those are foamed-plastic shipping cases for delicate telephone parts. One carton weighs a mere 8 ounces, but it's rigid, moisture-proof, and strong enough to support a man's weight. Inside, it's specially molded so phone parts fit securely to protect them from shipping damage.

Pacific Telephone

BEAUTY AND THE . . . . The beauty between the dragon and brave St. George, with his fists clenched and his brow beetling, are depicted by Virginia Prunier (the beauty), George Buse (the dragon) and John Ross (the hero) in the Nor-San Players smash hit, "Will Success Spoil Rock Hunter?" The comedy has been held over for two more weeks at the Meadowlark Ranch's Ol' Opry House. It runs Fridays and Saturday at 8:30 p.m. through Feb. 2.

Nor-San Play Is Held Over For Two Weeks

Nor San Players' "Will Success Spoil Rock Hunter?" by George Axelrod has met with such a successful response from large and enthusiastic audiences that the group has announced a two weeks extension.

The closing date will now be Feb. 2. It will be shown every Friday and Saturday at 8:30 p.m. at the Ol' Opry House, Meadowlark Ranch, Rancho Santa Fe Rd., San Marcos.

The cast members are having such a good time in their roles that it is the kind of play everyone will enjoy for a second even a third viewing. The lines are crisply humorous and the pace, fast. Neil Lucas, the director, has masterfully helped an excellent cast to make this an evening of lively and amusing entertainment.

School Bond Is Defeated In Fallbrook

A $650,000 bond measure was defeated Tuesday in a 658-438 balloting in the Fallbrook Union Elementary School District.

The 658 yes votes were 76 short of the necessary two-thirds majority to pass the general obligation bond issue, according to William Frazier, superintendent.

Frazier called the turnout of 1,100 among 2,000 eligible voters light. He said the district will resubmit the measure — to finance classroom construction — in late spring to avert double sessions.

Vista Young Men Asked to Join Marines

Staff Sergeant Mertell, announced today that the Southern California Marine Recruit Platoon is forming now. The platoon will leave for basic training at San Diego Tuesday, Feb. 12.

This platoon is limited to 65 men from the Southern California Area. These marines will be sworn into the Marine Corps at the recruiting station in Los Angeles at 1 p.m. on Feb. 12. All parents, relatives and community officals are invited to attend the swearing in ceremony.

Sgt. Mertell has openings for the platoon and would like to fill a North County Squad of 16 men. For more information about this program contact Sgt. Merteli at 321 So. Santa Fe or call 724-5800.

You Can't Stop 'On a Dime' Safety Sam Warns Drivers

by Safety Sam

Crash . . . Wham . . . Another rear end collision!

Did the oncoming driver see the emergency, and the need to stop quickly?

Was he traveling at 25, 45 or 65 miles per hour?

Can you bring your beautiful, high powered, modern automobile to a full stop in an emergency, in one car length, at a moderate speed of only 25 miles per hour? Positively not.

A stopping distance is compounded into three parts: (1) the time it takes to see and recognize the danger; (2) the time it takes to react to the danger and apply the brakes; (3) the distance required for the brakes to stop the car.

At a ¾ second average reaction (thinking) time, a car traveling at 25 mph will move 27 feet before the driver touches his four wheel brakes. Another 35 feet will be covered before your car screeches to a stop . . . a total of 62 feet, three car lengths . . . if you are alert.

At speeds of 45 and 65 mph respectively reaction distances will be approximately 50 and 70 feet and total stopping distances will be about 115 and 225 feet. Should you have doubts about these figures, the State Police or this writer will be glad to check you.

Recently, 56 motor vehicles were involved in rear end collisions on Highway 101 north of Oceanside. The same night almost 200 vehicles were involved in the same type of accidents near Los Angeles. True, it was a foggy night. Then, why were these vehicles traveling at unsafe speeds for good visibility?

A good practice, at all normal times, is to allow one car length between cars for each 10 mph of speed. In fog or on wet roads, double this distance.

During 1962, rear-end crashes accounted for nearly one-half of California's collisions between two or more motor vehicles, which resulted in deaths or injuries.

The modern motor vehicle is an engineering marvel, but it must be operated by a human, who controls it, and is liable to fault.

However, no matter how good the driver may be, he cannot stop his car "on a dime!"

Cancer Society Meets Thursday

The local branch of the American Cancer Society will meet Thursday, Jan. 24, at 10:30 a.m. at the Mike Pietrantonio home on Phillips Street.

The purpose of the meeting conducted by Mrs. Pietrantonio will be to formulate plans for the April Crusade.

It's like money in the bank when you advertise in Press Classified.

All Saints Parish Meeting Sunday

The annual parish meeting of All Saints Episcopal Church will be held Sunday following a special 10 a.m. service. The regular 8 a.m. Holy Communion service will be held, but the 9:15 Church School service and the 11 Morning Worship will be combined for this one day.

At the annual meeting the regular reports of the 1962 work will be presented along with the program for 1963. Of special interest this time will be the presentation of the reports on the building program, together with final recommendations on meeting the needs for additional worship and church school facilities.

Refreshments will be served in the Parish Hall in conjunction with the meeting.

Archbishop Joseph T. McGucken, S.F., on Second Vatican Council—"Like farmers, we have plowed our field and sown our seed—and now we must wait for something to grow to gather our harvest."

Mendoza Sons Complete Basic

Two Vista, brothers have completed United States Air Force basic military training at Lackland Air Force Base, Texas.

The brothers, Airmen Basic Daniel G. and Federico H. Mendoza, are the sons of Mr. and Mrs. Henry R. Mendoza, 244 De La Plaza.

They will be reassigned to Ent AFB, Colo., for training and duty as fire protection specialists. Both men are graduates of Vista High School.

Mike Hancher's 22 Points Help Vista Beat University

Coach Ron Riedberger's Vista High varsity basketball team made their Avocado League record an even 1-1 Tuesday night in San Diego as they whipped the University five, 59-47. The Vistans led all the way and the outcome was never in doubt although the Panther team again didn't play up to its potential, a habit the squad has frequently fallen into this year.

The locals led by as much as 15 points and had things all their own way the first half, leaving the court with a 36-23 edge. But the defense weakened somewhat in the second half and University outscored the Panthers the final two periods.

Vista's shooting percentage was 44 on field goals and they hit on 19 out of 29 free throws. The Panthers had a big height advantage over the small Don squad.

Mike Gets 22

Mike Hancher was hit for the Panthers in the first half sinking 20 points the first two periods. But he was held to just two points the second half. He was high scorer with 22, making 10 of 14 field goal tries. He also grabbed off nine rebounds, trailing only Jim Gray in that department. Gray garnered 23 rebounds.

Gray also was second high in points with 15 and Steve Hancher made 10. Gray now has a 207 point total for the year, Steve has 175, Terry Dietrich 120, Mike 112 and Rick Smith 76.

Cosentino made 16 for University and Blute made 10.

In the other Avocado game, Coronado topped Oceanside, 54-47, as Jensen made 23 points. Harrison made 12 and Loveland 10 for the losers. Carlsbad stopped Ramona, 98-33; Fallbrook beat Orange Glen, 63-38; and Poway stopped San Marcos, 53-38.

The Vista JV team again put on a last quarter burst and beat University, 38-29. The Panther Cubs had led 13-12 at the half and fell behind, 25-22, after three periods. Mike North led Vista with 18 points; Dale Whaley and Steve Castaneda each had six and Tom Heckendorn five.

Play at Oceanside

This week, the Panther teams travel to the coast to meet arch rival Oceanside in the Pirate gym at 7 and 8:30 p.m. Friday. The game has always been an exciting foul-filled affair and the past two years fights involving players and the crowd broke out. Authorities are hoping for better control this week.

Vista had a 1-1 record in the league and Oceanside is 0-2. In the Pirates' favor is the fact that they beat Laguna the week after Vista lost to the same team. The game will rate a toss-up with Vista having the edge in ability but with Oceanside getting the home court advantage. Terry Scott is the top Pirate scorer with 209 points in 17 games. Vista has only played 13 games.

Saturday Cage League Week's Winners Told

In the 8th grade division of the Saturday Basketball League at the high school gym, the Rebounders are still unbeaten and in first place with a 3-0 record after winning by forfeit over the Clowns last week. The Bears are 2-1; Swishers 1-2; and Clowns, 0-3. In the other game, the Swishers, behind 10 points by Greg Hancher, stopped the Bears, 29-18.

In the 7th grade, the Trotters and Lakers are tied in first with 2-1 records while the Unbeatables and Schooners have 1-2. The Unbeatables won over the Schooners by forfeit. The Trotters stopped the Lakers, 15-14, in a tight game.

Leading the 6th grade is Beaumont with 3-0; Bobier has 2-1; Crestview 1-1; Santa Fe and Olive-Grapevine, 0-2. Domingo Rivera made 16 as Bobier whipped Santa Fe, 36-4. Blake Martinson's 11 points led Beaumont to a 23-10 win over Olive.

Santa Fe with 2-0 leads the 5th grade; Beaumont had 2-1; Olive 1-1; Bobier 1-2; Crestview 0-2. In the battle for first place, Santa Fe beat Bobier, 16-9, as Mike Gonzales made 10 points for the winners. Terry McPherson led the losers. Olive-Grapevine upset Beaumont, 10-2, as Harry Lloyd made four points.

VISTA BOWLING

Following are league results at the Vista Bowl during the past week.

Vista Majors — Four teams are tied in first place—Garden Shop, Gette's, Clark's and Rollerdrome. Lon Applegate had 246 and 665, Phil Buettner 233 and 637, Gordon Ogletree 221 and 609, Howard Kirch 256, Rheb Toner 237 and 664, Pete Mathews 209 and 607, Larry Stoddard 213 and 611, Bill Boswell 216 and 602, John Knox 233 and 612, Larry Smith 211 and 601, Don Nelson 234 and 623, Rudy Wellpott 232 and 617, John Humphries 222, Jim Gray 223, Pat Paddock 226, Bill Faltisek 234, Bob Gray 222, Jim Coate 222, Bob Humphries 222, Larry Starr 229.

Classic League—Now holding an 11 point lead is the Inland Paving team with Purvis second. Last week Bill Mackey had 235, 233 and 683, Ed Gonzales 236 and 619, Don Donaldson 230 and 622, Jim Coate 615, Lou Vermillion 610. Top average is 202 carried by Bob Roach and Ed Gonzales. W. Lewis had 198.

Ladies Classic Trio—Jones Hardware has a 5½ game lead over Dura Paint and Gette's. Palomar Trophy hit 541 and 1481. Jones had 533 twice and 1588, the latter figure a new high. Marge Rustemeyer had 227, 216, 201 and 644, a new series high topping her 626. Dolores Fielding 216 and 531, Rosemary Gornick 213 and 559, Gladys Brooks 204 and 532, Diane Hay 204 and 534, Eloise Bonney 203 and 544, Billie Rawlinson 534, Mary Carlson 532, Ethel Chandler 527, Marilyn Jess 521, Alice Williams 512, Mary Fiegley 508, Winnie Roach 507.

Vista Mixed Fours — Second half started with Stan's Blacktop and Barnett Cabinets tied in first place. Jim Adams Service had 2274 and Ed's Richfield 805. For the gals, Oramae Schuster had 183 and 457, Helen Papke 175 and 478, Theola McMillan 179 and 467, Georgia Barnett 463. For the guys, Al Abongan had 538, Bob Hill 514, Bud Shaw 507, Morrie Uroff 206 and 501, Cliff Papke 201 and 549, Larry DeHart 206 and 549, Lou Hernandez 204 and 508.

Better Halves — Five of a Kind has a 9½ game lead over Neil's Plumbing. Bobbie Wheatley had 220, 180 and 549, Marjorie Saldana 187, Flo Gonzales 180 and 452, Marie Reuter 173, Lou Linn 464, Betty Leak 462, Barbara Keagy 452.

Vista Minors—Tied in first as the second half starts are Culligan Water and Knox and Son with 3-0. Ray Hernandez had 206 and 541, Herb Holmes 201, 224 and 580, Jerry Fisk 224 and 530, Joe Lopez 524, Eric Swadell 527, Jerry Knox 227 and 562, Dave Upchurch 235 and 598, John Knox 208 and 565, Murphy Wallace 204 and 512, Hal Troutner 527, Henry Tangjian 236 and 571, Jack Horcher 214 and 570, Floyd Danley 524.

Vista Elks—Five Roses has a two game lead over Fearful Five. Patsies hit 2896 and 1015, Gang Busters had 1017. Dale Marsh had 223 and 573, Ed Stumper 524, Merrill Purves 217 and 573, Pete Gist 510, Gil Hansow 508, Mac McWilliams 206 and 538, Joe Gette 500, Gordon Ogletree 517, Charlie Mull 516, Stan Keagy 541, Lou Vermillion 200 twice and 599.

Merchants Handicap — A-1 Refrigeration and Goines Chevron lead by one game. Goines had 1045 and 2869. Bob Weddel 232 and 606, Leon Farley 500, Hap Austin 536, Don McMinn 211 and 512, Clarence Pannell 500, Barney Barnett 536, Jim Gray 202 and 554, Dick Ring 538, Boots Olsen 211, Don Stull 217, Dick Fischer 512, John Humphries 210 and 592, Toby Flanagan 213, Dan Wallace 504.

Ball and Chain—Tied in first are 20 Penny Wash and Gil's Produce. Jorgensen had 2130 and 810, Vista Plastering 2207. For the men, J. L. Dennis had 203, Merle Jorgensen 201 and 515, Pat Paddock 205 and 554, Leroy Hutchins 213 and 531, Bob Carradine 243 and 611, Howard Kirch 529, Dick Osuna 568, Leon Farley 507. For the girls, Treva Hansow had 176 and 453, Estelle Duckett 170, Grace Paddock 187 and 507, Shirley Rowley 200 and 519, Betty Johnson 170, Jeannette Osuna 225 and 491, Fran Humphries 174.

Warren Tops Lincoln Frosh

The Lincoln 9th grade cage team fell before Earl Warren this week, 45-28, in a game played at the VHS gym.

George Gregoroff led the Vistans with 10 points, all coming on free throws. Dale Wright had nine, Allen Rhodes three, Pat Chase and Scott Martinson two each.

El Camino Gals Hold Criss Cross Tourney

The ladies at El Camino returned to golfing after the holiday season and held a Criss Cross Tournament Tuesday. Results as follows:

Class A — Helen Fisher and Dr. Clara Leckey tied for first with 31.5.

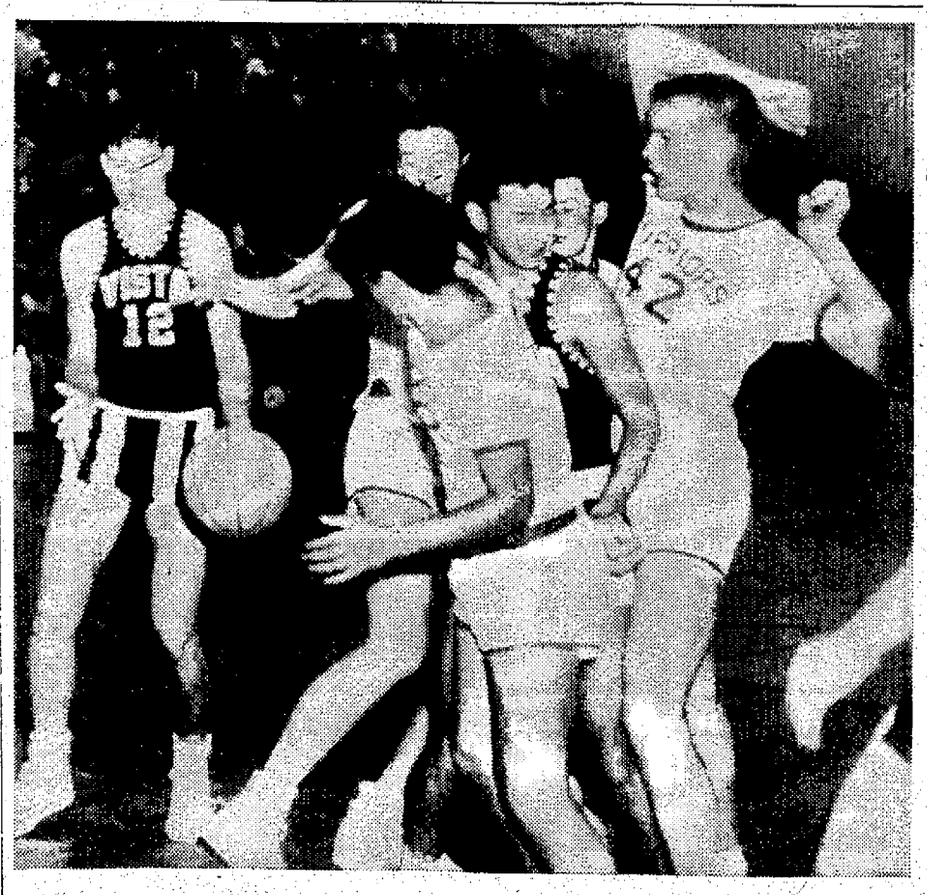
Class B—Ruth Sharp was the winner with 31.5 and there was a four way tie for second between Grace VanDerLinden, Mimi Craven, Cleora Tolton and Vivian Lee.

Class C—Dot Covington was the winner with 32.5 and Dot Rutherford was second with 33.5.

Class D — Irene Turnbull and Mary Settle tied for first with 32.

Two new members were welcomed to the group, Shirley Bussey and Mrs. Art Morgan.

The ladies also welcomed back Mary Settle who has been off the course for the past year. Her game is really coming along. She birdied No. 16 Tuesday.



CAREFUL! IT'S HOT! . . . . Vista High and Fallbrook junior varsity cagers seem to be trying to get away from the ball in this bit of action at Fallbrook on Friday, Jan. 11. The two dark-shirted Panthers are Mike North, No. 12, and Steve Castaneda. Vista won, 44-38.

Sports . . . .

Panther Wrestlers Outclass Clairemont; 2 Unbeaten

The Vista High mat team picked up its fourth straight win Tuesday outclassing the Clairemont Chieftans, 30-14, in the Panther gym.

The Vistans had many tough matches all afternoon before downing the hard fighting Chieftans. In the feature match, Vista's undefeated Dick Johnson decisioned Clairemont's top grappler Greg Fried (who has lost only to Johnson) in the 138 division. Johnson has six wins this season.

Craig MacDonald also remained undefeated with a 6-0 decision over the Chieftan's Tom Brown. Dave Wurzbach won his fourth straight match against a single loss and Bob Dawson picked up win number five with a second round fall.

Bob Iveson and Larry Winters pinned their opponents to give the Panthers a lead that they never lost. Dennis Jobe won his third straight match, and Jim McKnight won a close decision to round out the Vista scorers.

The Panthers suffered one casualty when Stuart Crymes lost a 2-0 decision to Clairemont's Bob Danfield. It was Crymes first defeat this year.

The Panther JV team lost a close 27-21 decision to the Clairemont JV's.

The Panthers will face their toughest test of the season when they play host to the Lincoln Hornets in the Panther gym Friday. Varsity matches will start at 3 p.m.

Varsity Results

95—Danfield (C) dec. Stuart Crymes (V) 2-0.

103—Bob Iveson (V) pinned Lyman (C) 4:40.

112 — Larry Winters (V) pinned Gozzi (C) 4:40.

Hwt—Jones (C) pinned Manuel Chavez (V) 1:55.

JV score: Claremont 27, Vista 21.

Lincoln Frosh Team Loses

Lincoln Junior High frosh basketball team met Oak Crest Friday, Jan. 11, in the Vista Armory and lost, 39-17.

Lincoln never was in the ball game. Oak Crest jumped right out to a lead and continued to stretch it. They were superior in all departments.

Dale Wright and Allen Rhodes, on offense and defense respectively, could not keep Lincoln moving. Wright made 10 points in the game. Steve Mills was the sole offensive punch during the second quarter with four points.

'Sweetwater' Back With Globetrotters

Nat ("Sweetwater") Clifton is back with his first love—the world renowned Harlem Globetrotters.

The giant, whom Abe Saperstein describes as the "greatest ball-handler" he has ever seen in basketball, will be in the line-up when 'Trotters take on the Atlantic City Sea Gulls at Cal Western's Golden Gymnasium at Point Loma, Jan. 30 and 31.

Sponsoring both games will be Sigma Delta Chi, professional journalistic fraternity. Proceeds will go towards this organization's student loan fund available to journalism students in local colleges.

There is no question but that Clifton has to be rated with the greatest basketeers of all time.

Six feet eight inches tall, he came into prominence playing for SuSable High in Chicago and then Xavier University of New Orleans. In one Southern Conference game for Xavier he tallied 87 points. Fifty points per game and over became routine for Clifton.

The Globetrotters signed him upon graduation. After several seasons, Saperstein sold Clifton's contract to the New York Knickerbockers of the NBA. He later played for the Detroit Pistons. Last year Saperstein reacquired his contract from the Chicago Majors of the now defunct ABL.

Tickets for the games are on sale at Westgate Park box office in Mission Valley. Reservations can be made by calling 298-9826.

Shuffleboard Action Limited To Two Games

Only two games were played last week in the North County Shuffleboard Association. The Lions defeated the Bears 18 to 14, and the Solomar team beat the 60 Plus Vista team 25 to 7. The game between the 60 Plus Ranch team and the 5th Wheel was postponed until Jan. 15, due to the weather.

Results of players on the 60 Plus Vista team, showing wins and losses, were as follows: H. Miller 2-2, M. Burtscher 2-2, E. Bouray 0-2, Bates 0-2, McMurchie 0-2, A. Bouray 0-2, D. Burtscher 0-2, Van Horn 1-3, Hill 1-3, Radford 0-3, Capt. I. Miller 0-1, and Rose 1-1.

Games scheduled for this week: 60 Plus Vista vs Carefree at Carefree Jan. 16; 5th Wheel vs Bears on Escondido courts Jan. 19; Solomar vs Ranch team at Recreation Center, Jan. 19.

DEDICATION . . . . Rev. W. Norris Barnes looks over the new educational unit of the Vista Methodist Church which will be consecrated at special services this Sunday at 11:15 a.m. Also finished and ready for use is a church office and library wing.—Vista Press photo.

District Superintendent to Dedicate Methodist Unit

Ceremonies marking the consecration of the new educational unit of the Methodist Church will be held Sunday, Jan. 20, announced Rev. W. Norris Barnes, pastor of the church at 157 Lado de Loma Drive.

Dr. Edwin Reeves, Methodist district superintendent, will officiate at the special service at 11:15 a.m. and the public is invited to share in this event which is of outstanding interest to the local Methodist congregation.

The unit which has just been completed consists of seven classroom sections for the church school. Two large rooms which may be divided with movable partitions are for the youth of the church. There are two smaller individual rooms for older children, and a large chapel-like room for young children.

Along with this educational unit, the church also built a church office wing of four rooms. In this portion, there is a room for the office of the church, a library, pastor's study and a work room.

These units were built by P. H. Lusardi of Vista and were designed by James Bernard, architect from San Diego.

YOUNG AND OLD ARTISTS . . . . Two of the artists who participated in the recent Christian Artists Workshop at Green Oak Ranch are pictured with their drawings. At the left is the youngest artist, Gary Zwall, and at the right is Don Anderson. Theme of the annual event was Christ Through Art.—Vista Press photo.

Community Church Bids Adieu to Don Gardners

The Community Church of Vista bade farewell Sunday to Don and Olivette Gardner and their infant daughter, Brenda, who left Vista this week to resume their missionary work in Nicaragua.

A check for more than $600 was presented to the Gardners toward their travel expenses and duty on equipment they are taking with them.

Since Gardner first went to Nicaragua 12 years ago the Community Church has supplied almost all of his financial support and also purchased a Jeep for him.

When he came home last February he sold the Jeep and applied the price on a new one which he will be driving to Nicaragua on the present trip.

The Gardners were married a little more than two years ago in Honduras where she had served as a missionary for 12 years. They are serving under the auspices of the Central American Mission and will be laboring south east of the capital city, Managua.

From Vista they went this week to Dallas, Tex., where the Mission has its headquarters. They will pick up their new Jeep there and start the journey south through Mexico about Feb. 1.

Sunday in the local church the pastor will continue his morning sermon series in the Book of Romans. The topic at 8:30 and 11 a.m. will be, "Christ for the World", a study in Romans 10.

In the 7 p.m. service the usual sermon time will be given to a question and answer time in which the pastor, Graeme Smith, will answer a variety of questions that have been submitted to him in the past six weeks.

Life to Subject Lesson Sermon Sunday Morning

The Apostle Luke's inspiring account of the raising of the widow's son from the dead will be heard at Christian Science services Sunday. Subject of the Lesson Sermon is "Life."

The Golden Text is from Matthew (4:4): "It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."

Passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this selection "The Scriptures are very sacred. Our aim must be to have them understood spiritually, for only by this understanding can truth be gained." "It is this spiritual perception of Scripture, which lifts humanity out of disease and death and inspires faith."

VHS Teacher Discusses Mark Twain's Letters

Mark Twain's recently published writings will be discussed by Frank N. White, Vista High School teacher of English, at the Palomar Unitarian Universalist Fellowship on Sunday, Jan. 20, at 10:45 a.m., at the Vista Woman's Club, 155 Park Ave.

Entitled "The Devil's Advocate: Mark Twain and Letters from the Earth," White's talk will briefly be concerned with Twain's early life, pointing out significant factors which affected his religious development.

White will read excerpts from the recently published series of sketches which consider Man and God, noting the challenging and stimulating nature of Mark Twain's philosophy.

The graduate of San Diego State College, in theatre arts, has worked since the age of six with various theatre groups as well as in radio and television. Coming to Vista in 1957 as a drama teacher, he has confined his teaching to English since 1959. He has also been an active participant in community theatrical productions.

The religious education program for children meets at the same time as the adult forum. The public is invited to attend.

Unity Pastor To Discuss Second Mile

"The Second Mile" is the title of the talk to be presented next Sunday by Rev. Gilberta Sommer, minister of Unity Truth church.

Jesus' teaching is one of "The Second Mile". Mrs. Sommer asks, "is this really practicable or is it a beautiful ideal to be framed on one's better thoughts and hung in a corner of the mind? Idealistic? Impracticable or, a divine lot to be reckoned with?" Rev. Sommer will discuss this and other questions in her sermon.

A time and opportunity for becoming better acquainted is planned for this Sunday immediately following the church service. Everyone is welcome. Mrs. Lesse Gust and Miss Pearl Banker will be hostesses.

Sunday Class

The adult Sunday class is held 10 to 10:40 a.m., the YOU at 10 a.m. and the children's Sunday school 10 to 11 a.m. A happy hour and nursery care is provided during the church service.

The new class "Self Improvement," began Tuesday, at 10:15 a.m. The 7:30 p.m. class also started on Wednesday and will continue for 18 weeks. The subject for discussion is "Unity's View on Essentials of Truth" and includes discussions of important questions. Rev. Sommer is teaching both classes. Meditation is on Monday through Friday at 10 a.m.

Literacy Group Told Guatemala Center Work

At a 7:30 p.m. breakfast in the First Methodist Church, First St., Oceanside, Saturday, Jan. 19, the Laubach Literacy Council will hear Vistans Dorothy Newburn and Aldyth Jack report their experiences during a six week stay in Mexico and Guatemala.

In the costume of one of the Indian Villages visited they will show slides taken of the peoples of this Central American area, as well as the literacy teaching being done among the natives. Both workers have much to tell of this beautiful "land of everlasting spring" where natives are using living methods used by generations 400 years ago.

The Dr. Laubach "Each One Teach One" centers are gradually expanding, and the Guatemalan Indians are excited over this opportunity to become literate. This plan carried on by volunteers is catching fire—and is working, say the Vistans.

The public is invited to see and hear this account of conditions as seen by these center workers.

A small Bible in his pocket saved the life of Claude Davis, of Granite City, Ill. A shotgun his nephew picked up from a table was accidentally discharged, but the Bible stopped the pellets that struck Davis in the chest.

Large sunspots are as bright as 100 full moons.

SEVENTH-DAY ADVENTIST CHURCH
720 Alta Vista Drive. John H. Shewmake, pastor. PA 4-3600.

Pastor Tells Of Religious Science

"What Religious Science Teaches" is the sermon topic for identical services, 9:15 and 11 a.m. Sunday. This is the third of a January series of basic concepts of the philosophy of Religious Science, at the First Church of Religious Science, Vista.

The objective of this particular sermon in a general sense is to examine religious history of both the Old and New Testaments and bring out the valid basis that there is a teaching of a religious law based on the motivation of God's love.

Then in a more specific sense, the objective of the subject for the day is to examine the place of our belief about ourselves and our relationship to our religion in the way of life that allows us to consciously identify with, and experience the infinite Good.

"A Religious Scientist," says Dr. J. Paul Featherstone, "is one who consciously stimulates an inner spiritual revival based upon right belief, right feeling, and right action . . . all of which culminates in the Kingdom of God now."

Child care, pre-school and Sunday School are held at 11 a.m. only. The Youth Of Religious Science (high school age) meet during the 9:15 a.m. service.

Ministry Groups Meet Sunday In Valley Center

The men's and women's organizations of the Christward Ministry will meet Sunday at 2:30 p.m. in the home of Catherine Brandow in Valley Center. Purpose of the joint meeting is to install officers for 1963 and to discuss goals for the year.

Women's Guild officers are Emilie Scrivens, president; Catherine Brandow, vice president; Mildred Duderstat, secretary, and Myrtle Koen, treasurer.

The men's group, the Questers, will have as its officers: Frank Runtz, president; Elwood Day, vice president, and James Hulbert, secretary.

After the installation ceremony, the Women's Guild will serve refreshments. All men and women interested in the activities of the Christward Ministry are invited to attend this installation ceremony.

At the 11 a.m. Sunday service, Rev. Vernon R. Day will speak on "Your Golden Day." A musical setting is planned by the Questhaven Chapel Choir under the direction of Joy Day, with David Panman at the organ. The Women's Guild will serve luncheon on the Friendship Terrace after the service.

Pastor's Bible Class to Meet

The Pastor's Bible Class at First Baptist Church meets on Sunday at 6 p.m. using material of the Evangelical Teacher Training Association to study "Old Testament Law and History".

Auditors are welcome to the class, but those completing the assigned lessons will earn the certificate of the ETTA.

Joe Laib SEZ:

Never trust a man who says he's boss in his home — he'll lie about other things too.
* * * *

Adaptable
We have a nearly new extremely well built split level home in a very choice area. If you want 2 large bedrooms & a lovely den with its own fireplace, use the house as is. If you want 3 or 4 bedrooms & an office, then use the full basement with its tiled bath & finished plastered walls. Approx 2400 sq. ft. all together with fine hardwood flrs. & lovely modern kitchen. Sewer, gas and a VIEW half acre make this a unique & desirable property at $28,500.

Little Jewel
Small 2 BR. white frame home on ½ Ac. in R-L-A zone. Lately redecorated.— Very liveable with large LR. and glassed in sun porch. Lot has over 100' along good st. and is level. Great potential here. — Priced to sell at $10,500.

SHIMMERING BEAUTY . . . . Of Iviza, one of the "Golden Isles of Spain," the Balearics, has become more widely known only in recent years. For this reason it has managed to retain its ancient character with the imprint of world Moorish Africa, as well as Castilian Spain. In the American Field Service travelogue to be presented at Santa Fe School on Friday, Jan. 25, Earl Brink presents an action motion picture of one of the most colorful corners of the today.

San Diego Granges Hold Joint Induction Ceremony

San Diego County Granges held the joint installation of officers of all Granges on Saturday, Jan. 12, in Carpenters Hall in Vista, with state deputy S. E. Rafter acting as installing officer, assisted by Mrs. Rafter, marshal; Helen Means and Marion Ricard, regalia bearers.

During the ceremony Rae Anne Latshaw, and a trio, Agnes Buzza, Belle McMaster and Harriet Dudman from the Vista Grange sang. At the close, the Vista drill team gave an exhibition of their work ending in the formation of a cross.

Deputy Rafter gave award certificates to Olive LaCaille, past secretary of the Pomona Grange, to Laura Ames of Pauma Valley, to Margaret Foster, HEC chairman in recognition of her work and that of all the HEC groups in the county in charitable projects, especially that of raising funds in the "Meals for Millions."

The State Grange award to the Grange having the largest increase in membership went to the San Diego Harbor Grange with Clarence Hafe as master.

Pomona master, Sam Landgren, presented the Rafters with a plate in appreciation of their cooperation in installing the officers for the county.

Members of the drill team under the direction of Marge Saracco, were: Mary Weller, Mae Hornum, Peggy Zarbaugh, Mabel Loryea, Marion Ricard, Helen Means, Kay Bozeman, Helen French, Alice Falquist, Mary Gregersen, Nella Mae Rudd and Pauline Kiefer with Greta Kemper as pianist.

Honored guest of the evening was Mrs. Josephine Hungate of Encinitas, who celebrated her 85th birthday. Other out of county guests were Mr. and Mrs. G. Gallup and Mrs. Alice Turpening, Mr. and Mrs. R. Riddle, Frances Bockdell and Mrs. Smithrow, all of Riverside county, Mrs. A. Allen of Denver, and Beatrice Calkins of Ohio.

At the close of the ceremonies, refreshments were served by Margaret Foster and a crew of ladies representing all of the participating Granges.

San Marcos officers are J. Edmund Bucher, master; S. E. Landgren, overseer; Aubrey Shearer, lecturer; Gertrude Bucher, steward; Charles Radcliff, assistant steward; Clara Morrisson, chaplain; Dora Wells, treasurer; Irene Hartman, secretary; Clare Bates, gatekeeper; Harriet Emery, Ceres; Elsie Landgren, Pomona; Mary Bishop, Flora; Verna Radcliff, lady assistant steward; Arnold Smith, three year executive committeeman; Mary Van Dorin, two year executive committeeman; Edwin Smith, one year executive committeeman; Sheila Bassett, musician.

Vista Grange officers are Conrad Ricard, master; Charles Mudge, overseer; Kay Bozeman, lecturer; Percy Dudman, steward; Henry Huntting, assistant steward; Zella Wellpott, chaplain; Christian Hornum, treasurer; Marion Ricard, secretary; Gettis Nicholson, gatekeeper; Mary Gregersen, Ceres; Harriet Dudman, Pomona; Floy Watkins, Flora; Katie Huntting, lady assistant steward; Paul Saracco, executive committeeman; Alice Falquist, musician, and Lorraine Nicholson, Home Economics Club chairman.

Pomona Grange officers are Sam Landgren, master; Charles Mudge, overseer; Harriet Emery, lecturer; Lou Erker, steward; Charles Coast, assistant steward; Isabelle Jack, chaplain; William LaCaille, treasurer; Olive LaCaille, secretary; Wynn Rider, gatekeeper; Emma Smith, Ceres; Mildred Mitchell, Pomona; Rosemary Price, Flora; Carrol Coast, lady assistant steward; Jessie Rafter, musician; James Smith, three-year executive committeeman; Dick Rafter, two-year executive committeeman, and Cecil Click, one-year executive committeeman.

Valley Center Grange officers are George Neiley, master; Raymond White, lecturer; Ida White, steward; James Smith, assistant steward; Bernice Stoddard, chaplain; Frances Jones, treasurer; Edith Holt, secretary; Margaret Allen, Ceres; Carrie Cheney, Pomona; Florence Cheney, Flora; Emma Smith, lady assistant steward; Elmer Hogg, three-year executive committeeman; John Gridley, two-year executive committeeman; Fred Howard, one-year executive committeeman, and Aleta Hellums, musician.

Pauma Valley Grange officers are Joseph Kresser, master; Stanley Jimenez, overseer; Viola Harper, lecturer; Harold Schell, steward; Cecil Click, assistant steward; Elizabeth Schell, chaplain; Jim Ames, treasurer; Clarice Ames, secretary; William Schmitt, gatekeeper; Anne Schmitt, Ceres; Ollie Williams, Pomona; Ivy Kresser, Flora; Mildred Jimenez, lady assistant steward; K. O. Whitson, three-year executive committeeman; Jack Williams, two-year executive committeeman; Brad Conover, one-year executive committeeman; Sara Bunch, musician, and Viola Harper, Home Economics Club chairman.

First Travel Film of the Series Shown Here Jan. 25

Described as "Lotuslands, where men are never in a hurry, and women never grow old," the Balearic Isles will be the subject of brilliant color motion pictures which will be presented in Vista Friday, Jan. 25, at 8 p.m. in the Santa Fe School auditorium.

Earl Brink, noted explorer and film producer, will personally narrate the film which is coordinated with authentic sound of the songs, ballads and dances of these romantic islands in the Mediterranean.

Brink's film, under the title, "The Golden Isles of Spain," is the first of five such programs which will be presented by the Vista Chapter of American Field Service for the benefit of its international student exchange program.

Miss Charuvan Lin of Thailand is a student in Vista High School at present under this program and Miss Lucia Matson, Vista High junior, will soon go to Chile for a semester's study under AFS auspices.

Season tickets to the five film travel programs have been sold out for some time but single admissions will be available at the door after season ticket holders have been seated. Seats will be reserved for them only until 7:45 when single admissions will go on sale.

The 1963 series of travel and adventure films promises to be of exceptional interest including "Village Beneath the Sea" on Feb. 22, "Caribbean Ports of Call" on March 15, "The People of Hungary" on April 26 and "Australia" on May 17, in addition to the Spain film on Friday of next week.

Scientists of the University of Michigan at Ann Arbor are raising germ-free animals for use in medical research.

Guild Players Meet Monday

A general membership meeting of the Carlsbad Guild Players will be held Monday, Jan. 21, at 7:30 p.m., in the Carlsbad City Hall Council Chamber in the annex building.

All interested persons are invited to attend. Anyone wishing information about the theatre group may call 729-[illegible]46 in Carlsbad.

Editorials

"The City of Destiny Enters Upon New Era"

Ed Note: Last week a couple walked in and handed us the following, which was printed in the Sunnyvale Standard, Dec. 13, 1912, following their incorporation. The only changes are the substitution of Vista for Sunnyvale. The style of writing is interesting and the editorial apropos. The heading is the original.

"Tuesday's election has shown to the world that Vista understood the knock of Opportunity at her door and that she had extended the glad hand of welcome. The count of ballots has proven that full three-fourths of her citizens have red blood in their veins and that they will henceforth move her wheels of progress steadily onward to a glorious destiny. The cant of the malignant and the wail of the weakling can never more suffice to befuddle and discourage the efforts of this big majority, who will deal as seems fit with the occasion presented. . . .

"The citizens of Vista have good cause to be proud of their achievement. It is a beginning for greater things to come. It first of all gives confidence to the boosters—those who are far seeing and also willing to make personal sacrifices to realize noteworthy achievements. And as for the weaklings, those who tremble at the thought of having their taxes increased by a few dollars a year, their interests will be looked after by a good and substantial City Council—men who have not gained their election through base influences. The men we have elected will be able to show to the weak ones that their fears were groundless, that they were the result of poor digestion or some other physical defect, and that they are gainers by a big margin through the success of the incorporation movement.

"It is our duty now to get behind and encourage the men we have elected as the city fathers. They are all property owners and conservative men as regards the expense account. They can be relied on to consider well every proposition that calls for an investment of our money, and they will require good reason to believe the returns will justify the outlay before making it. We may well consider ourselves boosters from the word go, and that we will build a great city in due course of time there need be no doubt."

Need Buena Sewer Bonds

Next week the Buena Sanitation District will vote on a bond issue to supply trunk lines, laterals and an outfall line to tie in with the Vista and Carlsbad outfall into the ocean.

The Buena area is an integral part of the Vista Irrigation District, and, while its growth has not been as rapid as the newly incorporated area, in the past few years it has experienced many new homes, and with the installation of sewers, cannot do otherwise than continue to grow.

Soil in a considerable portion of the Buena Sanitation District is not adaptable to sewage disposal through leach lines. Some homes have six to seven hundred feet of these lines and at times of heavy rainfall are still in trouble, due to the heavy adobe underlayer.

Sewage disposal is a need and the voting of the bonds will not only improve the value of the property in the district, attract more residents, but will also do away with the heavy odors which at times are so pungent.

The voting of the bonds, can in the future lead to annexation to Vista with control of the sanitation district in the hands of men who understand local conditions.

Your Community and Mine

Had quite a number of letters from persons who received copies of Clarence Dawson's letter to the Ed, apparently before it was received here. We realize that those persons whose letters will appear next week are not all residents within the Buena Sanitation District, and are only making protest on the grounds that an outfall line would raise havoc with a potential park. So far as we can find out the land in question is still the property of the Dawsons and has no official status as a park. We do agree that we need parks badly in this area. Buena Sanitation District is also badly in need of an outfall line, and not being engineers, nor having seen the proposed park, we are not in position to say just how many of the beautiful oaks might be damaged by installation of a sewage line through the property. The Buena area, like all of Vista, is growing, and it is our opinion that outside opposition to sewers should have no influence upon the decision of the property owners living within the Buena Sanitation District.

—o—

In the long list of those citizens who urged Vistans to vote "Yes" on incorporation, the name of Hugo Danke was not included. Danke has worked quite diligently on the issue and made several trips to San Diego in order to secure information. He was instrumental in arranging for the county to choose the site for its future offices here. Also at an earlier date he spent considerable time in San Diego in opposition to the lot split ordinance. It is regrettable that Danke's name did not appear.

—o—

Joe Mottino, a long time Vistan was for some reason included in publicity stories (not in Vista) as opposed to incorporation. He had at the start asked that 17 acres where his home is located be included within the corporate limits of Vista, but for some reason those who set up the boundaries did not cooperate. Mottino stated several months ago that he planned to annex as soon as possible, and this week again repeated his plan to annex. He further stated that since he did not live within the boundaries that he did not like the unauthorized use of his name—and we don't blame this loyal Vistan.

—o—

Some folks will do most anything to make themselves look big in the eyes of the public. There's a publication printed over on the coast, which recently had a story all about their 48-page press installed six months ago. Now those of us in the trade know a wee bit about presses, and their quote "the largest of its kind" up this way. True, oh how true. You see the press is a model which has not been made for many years. It is called an X-pattern, and in fact there are few like it left in California. Our 48-page press installed three years ago, was built a number of years after the X-patterns were discontinued.

FAT IN THE SADDLE

Vis-Tales

by Russ

Have received a number of comments about the direct distance dialing phone call placed by our society editor recently — which we mentioned here last week. She was calling Pasadena but got Arkansas, instead. This apparently is happening to many people.

But the record accidental long distance call—via direct dialing — happened to Edith Kirch of Monte Vista Drive. She says most people won't believe it but it actually occurred. She was calling San Francisco but the person who answered was at a U.S. air base in Portugal. That's right —in Europe. The operator later said the call accidentally fell into an open overseas line to the air base.

Can anyone top that?

—oOo—

Right on the heels of the Vista incorporation election is the Buena sewer election scheduled next Tuesday. It's another move towards the progress of our community and if the persons living in the area to be served on the east side of town want sewers, they should vote "yes." It will speed up the development and increase property values. No part of the Buena sewer district is in the Vista incorporation area. There hasn't been too much publicity about the sewer election because the backers didn't want to confuse people, with all the incorporation data being published. Sample ballots were sent out a week ago.

The next election for local residents will be Feb. 5 when the Vista Irrigation District director vote is slated. Only two of the three directors whose terms are expiring have opposition — Ollie Clark and Dale E. Wood. Hans Doe, one of the most informed men in the state on all water problems, is running unopposed.

That was a good front page for the Vista Fire Department last week with one story telling about the reduction of the fire insurance rates in the north and south parts of the district and another revealing that fire losses were down 55 percent over the previous year. This was good news for everyone. First major fire of 1963 occurred in the district's extreme southeast section Tuesday morning when a gas blast occurred in a home. This area is normally considered San Marcos but is in the Vista Fire District.

—oOo—

Boots Olsen, local insurance agent, was quickly on the scene when a traffic accident occurred at a downtown intersection last week. He had learned that one of the driver's had insurance with him. When he learned the name of the second driver, Boots remembered that this driver was also one of his clients. Nothing like keeping the accident at home — at least there'll not be any law suit that way.

—oOo—

How did you like that cold snap last weekend? We didn't. Reminded us of earlier days in cold, cold Wisconsin. At one time we lived on a lake 30 miles west of Milwaukee and commuted to the big city daily to work — using bus, train, electric train or car. Our house was at the very end of a private road. When it snowed the county plow didn't get to us till noon and he didn't do the entire road. We often had to shovel a path for our car from the garage to where the plow stopped—a distance of a normal city block. We don't miss the skating or the sledding either. Once or twice a year atop Palomar Mountain is enough. We prefer the usual warm Vista weather for year-around living.

Letters to Editor

Dawson Tells Why Would Vote No If He Were Eligible

In setting the bond issue election for $2,030,000 in the Buena Sanitation District on Jan. 22, the Board of Supervisors has not dealt fairly or frankly with the taxpayers. The hearing in San Diego on Nov. 13 was not advertised in the Vista Press but in the San Diego Union. Protestants had no knowledge of the hearing and the county's engineers could not be examined on their report. Subterfuge by public officials should be rebuked.

Press reports from the County News Service have been inaccurate and should have been checked before publication with the Vista people concerned. Written and telegraphed protests in the public interests from several Vistans were not read to the board at the preliminary hearing in October, nor publicly reported, nor acknowledged.

We are not in the district but Mrs. Dawson and I were successful in getting the proposed sewage pumping plant shifted about 4000 feet. Los Monos Park, a wildlife area and potential public park, was thus saved, to that extent, from the ruthless damage resulting from running a large sewer line down a tree-lined creek.

This is not a mere matter of protecting "a few trees" but of preserving a potential recreational area unique in northern San Diego County. A partial success over callous indifference is better than total defeat. The reduction in the engineer's plans saved about 3000 feet of costly large-diameter sewer line but the saving was not deducted from the total bond issue presented to the district voters.

I believe a further saving of another thousand feet of sewer line might result from placing the pumping plant near the confluence of Agua Hedionda and Buena Creeks. The entire area of the Buena Sanitation District would still be served. The purpose of the extra line length is to benefit lands not in the district. A cost study of this "confluence site" and route should be made and publicly disclosed and examined before bonds are sold.

The adopted plan is better than the original but it will still unnecessarily damage the public interest and our private interest. It is not the best engineering because it does not consider all aspects of the situation and ignores the social values and recreational needs of a growing population.

Taxpayers should think twice before voting a bond issue which is greater than needed. If the home-owners and residents of the district want a sewer system which will convert their area into one of heavily-built-up small lots, they have every right to have it. They should not have to pay for more than they need or be taxed more than necessary. When officials are caught concealing a "public hearing" from the public by not advertising it in the local newspaper, it is well to take a close look at their proposal.
—Clarence H. Dawson.

Christmas Tree Committee Offers Acknowledgments

The Vista Chamber of Commerce in behalf of Bud Markert, chairman of the Community Christmas Tree Committee, would like to extend its thanks to all those who helped in making it a success, the Karlen-Davis Company of Myrtle Point, Oregon, for their part in obtaining the tree; Hayward Lumber Company for arranging the tree.

Harry Reahm for the lighting; Art and Don Hulbert of TV Craftsmen for music; Rev. Barnes for leading of the carols; Rossiter Cabinet Shop for construction of church; members of Vista High School Key Club for the Nativity scene; Juanita Miller for drawing winning tickets;

Busy Beaver Tree and Wood Service for setting the tree and cutting the tree down and use of their equipment; Paul Eskenasy, Howard Cinnamon, Max Taylor, Bud Nagel, members of the committee; Lou White who offered the use of his equipment; also the Free brothers; Roy Harvey and the sheriff's department; and the Vista Patrol for their help.
—Chamber of Commerce.

Press Is Thanked For Its Publicity

The Chamber of Commerce Auxiliary feels that the success of their project, the "Yule Dream Tree", was due largely to the publicity given to it by your paper. The membership wish to thank the Press for its most generous support. — Kathryn Brewer, corresponding secretary Chamber of Commerce Auxiliary.

Upholds Dawson's Attitude Toward Buena Bond Issue

Ed Note: Clarence Dawson sent a copy of his letter to the writer of this letter).

I would like to take this opportunity to attest to the veracity of statements made by Clarence Dawson regarding several particulars in his communication to you regarding the Buena Vista Sanitation District project, dated Jan. 12, 1963. May I first assert that I have been involved in this problem as a private citizen, whose primary interest has been that of saving from "the spoilers" a rich natural area located on Rancho Agua Hedionda Y Los Monos.

Aside from thoughts of economy and the possible selection of alternative sites, my primary interest in the sanitation project have been essentially two-fold: First, I have had a vital and dedicated interest in preserving such natural areas for recreational purposes.

I have spared no energy in writing letters where they appeared vital; attended public hearings when possible and have attempted to instill in our young people the material and spiritual values inherent in unspoiled natural areas. I have seen Rancho Agua Hedionda Y Los Monos as just such an area. It is in this manner that I became personally involved in the Buena Vista Sanitation District project.

I was among the several "protestants" who found time to communicate with the San Diego County Board of Supervisors regarding the transmission of an affluent line through beautiful, relatively unspoiled, rich ecologically, Los Monos Park. The area, at the present time, rests secure from "the spoilers", thanks to Mrs. Ida Dawson and Dawson.

My protest to the board was long and it was earnest! I wrote in order to preserve in perpetuity, beautiful Los Monos Park! I wrote with the fervent hope that "The County Fathers" would pause, reflect and perhaps even visit the area threatened by the affluent line. I had hoped, naively perhaps, that upon reflection, they would spearhead a drive to see that rather than "push through a pipe line" they would nobly assert, "this, we cannot destroy in good conscience"!

But alas, I was bitterly disillusioned! Not only was there a lack of evidence that they had read my communication and others, but not a single word of acknowledgment appeared! I dare suggest, that if this be responsible, representative government; if this be "Government for the people, of the people and by the people" then may the Cosmic Forces preserve us!

We had no way in knowing that our protests were heard. A partial victory was achieved in that the pumping station was moved back at least 4,000 feet from Los Monos Park. At least Los Monos Park was left with its natural integrity! The latter decision was made at a public hearing that was not advertised in the local media. The manner in which this came to be; the fact that some changes were made even after such supposedly "thorough engineering studies" were made, suggests that perhaps even more thorough studies are in order.

As a citizen of this community, I feel compelled to urge the voters to take a second look. Why not, as Dawson suggests, "make a cost study of the confluence site"? What about the subtraction of the total bond issue as it relates to the savings enjoyed through shifting the pipeline some 4,000 feet? I would suggest that Dawson is correct in stating that a good project study takes into consideration all facets—including the tax payer.

I would suggest we all pause and reflect. Has a real study of the project been made? How can I have faith when hearings were conducted without local public notice? Does not Dawson's suggestion of shifting the pumping station to the confluence of the Agua Hedionda and Buena Creeks not bear serious consideration? As he suggests, we might well save another 1000 feet of pipeline?

We hear frequently of "local control" and expressed resentments about "Big Brother in Washington" taking away this and then something else. Here is an opportunity to express your local control. Write and assure yourself that no questions remain outstanding in your mind. I believe the project deserves more careful study and explanation.

We in Vista need expanded recreational areas. If incorporation succeeds I hope our city fathers will offer their considered attention to the preservation of what few natural, unspoiled areas we have remaining in the North County. I hope they will set aside such areas as Los Monos Park or fight when such areas are jeopardized by such projects as the affluent line.

If they must be jeopardized, then let it be only after careful studies have been made with alternative sites considered. I am not against "progress" but I am not convinced that merely bull-dozing a hillside; clearing a valley of oaks is progress. I suggest it might not even be good economics.

In conclusion, I would like to thank the Vista Press for its numerous articles relating to the need for expanded recreational facilities in our area. May you find space, time and fervent inclination to continue the fight and help in this much needed project.
—Eugene A. Mielcarek.

Outside Opinion

. . . On Berlin Defies Reds

When alarms and crisis fill the daily headlines, it's easy to lose long-range perspective and get all wrapped up in the urgencies of the moment. At such times . . . it's wise to stand back and take a little longer look at things.

Such an occasion is right now. It was just four years ago that the Kremlin issued its first ultimatum on Berlin. Get out within six months, it warned the West, or steps will be taken to force you out.

Those were six tense months. As the deadline approached there was much talk about civil defense and shelters. This was Russia's first ultimatum since she had acquired nuclear first-strike capability, and no one knew what to expect.

But the West did not get out, and at almost the last day the Kremlin backed down. That has been more or less the pattern since. Russia has made various threats and the West has continued to stand firm.

So finally, apparently realizing that West Berlin would not be abandoned, the Communists threw up the Berlin Wall, the Wall of Shame, a little over a year ago. Their object—and the West's concern—was that fear and frustration would drive people and capital out of Berlin so that gradually the city would shrivel up and be lost as an enclave of liberty surrounded by Communist East Germany.

So how did that work out?

From the Kremlin's point of view, not at all. There was some early panic; in the four months after the Wall was built in September, 1961, some 13,000 people did leave West Berlin. But then the tide turned. Today and for some months past, more people are coming to Berlin to live than are leaving. West Berlin's labor force, 884,000 when the Wall was built, now stands at 903,000. . . .

Does West Berlin still stand as a symbol of the difference between communism and freedom? It does. Its 2½ million people are now delivering twice as much industrial production to West Germany as East Germany's entire population of 17 million is delivering to the Soviets. West Berlin's exports substantially exceed its imports.

Savings in West Berlin fell shortly after the Wall was built, but now are up 10 percent over last year's. Capital is being attracted from all over Europe. A considerable number of American soldiers, impressed by the economic opportunities, have settled in Berlin after their duty tours ended.

Perhaps most dramatic of all, the West Berliners have started construction of a beautiful new cultural center, along the lines of the Lincoln Center. And where are they putting it? Not somewhere near the center of West Berlin, but close to the Brandenburg Gate—gesture of faith in the future of a united, free city.

So that's how the Cold War goes in that particular part of the world. There's no occasion for a victory celebration; the war isn't over yet. But by any measure it's obvious that where a policy of firmness has been established and upheld we've not done badly.—Deseret News (Salt Lake, Utah).

. . . On a Letter to Teeners

At a PTA meeting in Manasses Park, L. D. Harris, chief of police of the Prince William County community (incorporated in 1957) distributed the following "Open Letter to a Teen-Ager":

Always we hear the plaintive cry of the teen-agers: "What can we do? Where can we go?"

The answer is . . . Go home.

Hang the storm windows, paint the woodwork. Rake the leaves. Mow the lawn. Shovel the walk. Wash the car. Learn to cook. Scrub some floors. Repair the sink. Build a boat. Get a job.

Help the minister, priest or rabbi, the Red Cross, the Salvation Army. Visit the sick. Assist the poor. Study your lessons. And then when you are through — and not tired—read a book.

Your parents do not owe you entertainment. Your village does not owe you recreation facilities. The world does not owe you a living. You owe the world something. You owe it your time and energy and your talents so that no one will be at war or in poverty, or sick, or lonely again.

In plain, simple words: Grow up; quit being a crybaby; get out of your dream world . . . start acting like a man or a lady.

The Wall Street Journal reprinted Chief Harris' letter under the heading, "Notable & Quotable." — Richmond (Va.) Times-Dispatch.

25-15 Years Ago

From the Vista Press
Jan. 13, 1938

George B. Hodgkin, manager of Calavo Growers, was the principal speaker at the annual meeting of district 2 and 10 of Calavo Growers of California held in Vista Friday night. H. L. Burmann and J. H. Hutchison, Vista men, were elected district managers.

At the annual meeting of the First National Bank of Vista, manager J. J. Rutherford announced that shares of stock held by the Vista Development Co. had been sold to local citizens, thus making the bank a completely home-owned institution.

Opening of bids for construction of the Vista Unified School plant was set for Saturday night at the evening meeting of the board in the Lincoln School. The buildings were expected to cost approximately $175,000.

An emergency Red Cross First Aid Station was installed in Vista by representatives of the San Diego Red Cross. The equipment, which was placed in the Pegg Brothers service station, consisted of a first aid kit with stretcher, and information concerning available doctors and ambulances.

The annual father and son banquet sponsored by the Community Church was set for Feb. 18.

From the Vista Press
Jan. 15, 1948

Dr. E. Guy Cutshall, nationally known lecturer on alcohol and its use, was scheduled to give a talk in the Community Church. His subject was "A Ringing Challenge for Action."

"Democracy and the German Schools" was the subject of an address given by Dr. Walter, president of San Diego State College, in the Vista High School auditorium Wednesday night.

Frank Goetting, newly elected president of the Vista Chamber of Commerce, presided at the opening meeting for the year at the offices of the Vista Irrigation District.

Installation of a large $17,000 unit of central office switching equipment has been completed in the telephone building at Jefferson and Michigan Streets.

Vista Garden Club is sponsoring a project to send a capsule friendship train to Europe, containing packages with 13 varieties of garden seeds.

Dramatists at Palomar College announced the coming presentation of "Shubert Alley", drama with an all-girl cast. The play was set for Thursday, Jan. 22, in the Vista High School auditorium.
