

Take your class back in time to early California at Rancho Buena Vista, an original 1845 Mexican Land Grant. A combination of hands-on activities plus a tour of the historic rancho makes this an educational field trip your students will not soon forget.

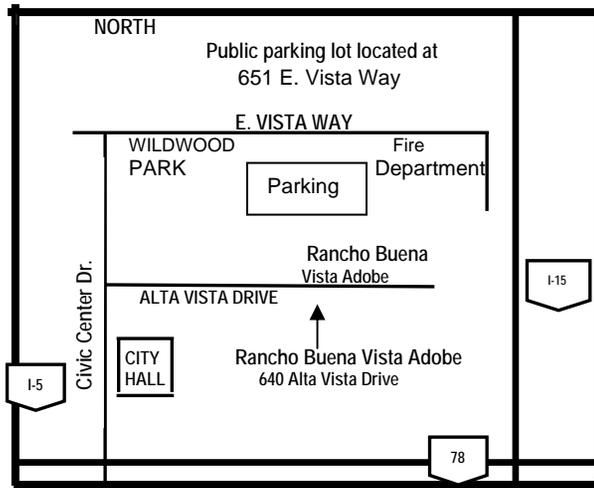

The Adobe Days school program is offered Monday through Friday, from 9:30 a.m. to 11:30 a.m. and from 11:30 a.m. to 1:30 p.m.

The two-hour program consists of a 40-minute tour and two 40-minute activities. Reservations are required.

The cost is \$12.00 per student. Classes must have a minimum of 10 students.

Payment by purchase order or check only. We do not accept cash, credit or debit cards.
