INTENDED PROGRAM OUTCOMES

The Vista Flag Football Program is strategically designed to be a fun, positive and beneficial experience for each child.

Upon completion of the season's activity, each participant will have:

1. Strengthened their physical competency and skill
2. Learned and exhibited behavior that respects the game and all individuals involved (sportsmanship)
3. Developed skills that ensure the ability to work with others and develop relationships
4. Enhanced judgment skills that ensure the ability to plan, evaluate, make decisions and solve problems
5. Developed a broad base of knowledge of the game of football
