Vista's Senior Services

The Gloria McClellan Center offers “one stop shopping” for area seniors. The center promotes the physical, emotional and social well-being of seniors and involves them in all aspects of community life.

The center includes classrooms, an auditorium, game room, dining room, and a social service office. Senior Center programs include: Culture Caravan, Vista's popular senior trip program, Out & About Vista transportation program, Project Care, and more.

The gift of longer life means more time to travel, time to learn new skills, or even the opportunity to look into new careers or to give back to the community. Whether you need to access information, locate services, need transportation, would love a great meal, or would like to volunteer, the center can help.

The City of Vista prohibits discrimination in its programs on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status.
